Report on Corona Virus Awareness Programs conducted by PMS
College of Dental Science and Research.

Novel Corona Virus has become a pandemic involving many countries. Now cases have been reported in Kerala too and the people are becoming panic. So the PMS College of Dental Science and Research, has initiated Corona Virus awareness programs to make the people aware about the distribution and symptoms of corona infection. An awareness talk was given by Col Dr. K.ERajan. MD.(General Medicine) to all the teaching and non-teaching staff of PMS College of Dental Science and Research. The Department of Public Health Dentistry, PMS College of Dental Science and Research prepared a pamphlet explaining about the novel corona virus, how it is getting spread, what are the symptoms and what all precautions have to take to avoid getting infected. The students of PMS College of Dental Science and Research did door to door awareness campaign by distributing the pamphlets. The out patients were given awareness talk regarding the same. The staffs of Department of Public Health Dentistry namely Dr.SwathyAnand, Dr.Deepan Kumar, Dr. Kiran Shanker and Dr. Sunitha participated in the program. Miss. Anuja, Miss. Karthika, Mr. Rahul Raj and Mr. Mohammed Siddique were the interns participated in the program.
