In India there are about 275 million tobacco users giving an alarming situation of the increase in tobacco related morbidity and mortality. Oral cancers are in the exponential rise in India. All epidemiological data proves that tobacco is still the major culprit.

We in PMS are organizing a unique platform- "TEACH" to train the Health Professionals in Tobacco Cessation protocols and provide necessary guidance to set up a tobacco cessation clinic which is the need of the hour. The workshop is conducted by the renowned team from NIMHANS, who is the authoritative experts in this field.

### Dr. Pratima Murthy

MD, DPM, FRCP (Glasgow)  
Professor of Psychiatry and Head,  
Centre for Addiction Medicine  
NIMHANS

#Tobacco Cessation Counseling  
#Neuropsychiatry  
#Alcohol and Substance Abuse  
#Psychiatric Training  
#Psychiatry and Law

Dr. Pratima Murthy provide services and models of care for NGOs and health institutions in evolving tobacco and various substance abuse prevention programs. She also provide training on anti-tobacco counselling for health professionals and conduct Workshops, Seminars and Symposia at national and international levels.
