Health & Family Welfare Department- Academic- Admission to the Master of Dental Surgery course(MDS) in Self Financing Dental Colleges for the academic session 2021-22- Seat Matrix and Guidelines- Approved- Orders issued

**HEALTH & FAMILY WELFARE (S)DEPARTMENT**

G.O.(Rt)No.2146/2021/H&FWD Dated,Thiruvananthapuram,  
04/10/2021

Read 1 Letter No.B1/999/2021/DME dated 27.08.2021 & 22.09.2021  
from the Director of Medical Education Thiruvananthapuram  
2 G.O.(Ms)No.175/2021/H&FWD dated 04.10.2021

**ORDER**

Government are pleased to approve the seat matrix for admission to the Master of Dental Surgery course (MDS) in Self Financing Dental Colleges for the academic session 2021-22 as appended to this order.

The methods and principles adopted for arriving the seat matrix are explained below:

In Self Financing Dental Educational Institutions, leaving aside the seats under NRI and Minority/Community quotas, the remaining seats are distributed between the General (unreserved), SC, ST and SEBC categories. Reservation for SC (8%), ST (2%), SEBC candidates (20%) with internal further distribution Ezhava 6%, Muslim 5%, BH 5%, LC 2%, B Xian 1%, Kudumbi 1%, is incorporated in the roster.

**(a) Roster Preparation**

- Roster for the current year is prepared as an extension of the last year's roster.

PRINCIPAL  
P.M. COLLEGE OF DENTAL  
SCIENCE & RESEARCH  
THIRUVANANTHAPURAM-28

- ii. Assignment of reservation categories to roster points is driven by computing the gap between the total share of seats due to the categories and the seats actually allocated up to that point in the extended roster.
- iii. Mapping of categories to roster points makes use of a category hierarchy, with blocks of reserved and unreserved seats at the top level, and the block of reserved seats further divided in to the SC-ST and the SEBC blocks at the next level. The SC-ST and SEBC blocks in turn are divided in to the respective constituent categories at the bottom level.

**(b) Assignment of seats to roster points for forming the seat matrix**

- i. Seat Matrix for the current year is prepared as an extension of the last year's seat matrix.
- ii. After reservation categories are assigned to roster points, the next step is to map roster points to seats. The procedure for mapping roster points to seats in participating institutions relies on a well defined hierarchical grouping of the seats available at the time of seat matrix preparation. At the highest level, there is a distinction between subjects and the next level is defined institution-wise.
- iii. The roster points with categories assigned to them are processed one after the other. When a roster point is considered for mapping to a seat, the unassigned seats are examined along the seat hierarchy defined above. At each level of the hierarchy, choice of seat is made based on a computation of the gap between the due seats and the seats accrued up to that stage in the extended seat matrix in respect of the concerned category, separately for the constituent groups at that level. The group in which the category is having higher deficit will be pursued. This logic is applied through the levels until the bottom most level is reached and the roster point will get assigned to a seat in a particular speciality and institution combination.
- iv. In case additional seat(s) is / are contributed by any institution after finalization of seat matrix due to creation of additional seat or starting of new course after freezing of seat distribution (seat matrix), before start of next round (second / third) of counselling the same will be added to the roster and the seat matrix by applying the above defined procedures for extension of roster and seat matrix.
- v. In case an institution withdraws any seat after finalization of seat matrix as mentioned above, on account of de-recognition of seat or

THIRUVANANTHAPURAM-28

due to furnishing of wrong information earlier, the same would be deleted from the list without changing/disturbing remaining seat matrix. However, as the deleted seats will not be part of the accrued seats when the next extension (due to availability of additional seats or the next year's seat matrix preparation) of the roster and seat matrix takes place, the lost assignments of seats to roster points will be automatically compensated when such extensions happen.

SCHEME  
ANNEXURE I

**THE GUIDELINES FOR EXCLUDING THE CREAMY LAYER AMONG THE SOCIALLY AND EDUCATIONALLY BACKWARD CLASSES (SEBCs) IN THE STATE OF KERALA FOR THE PURPOSE OF ARTICLE 15(4)**

1. These guidelines may be called "the Scheme for excluding the creamy layer among the SEBCs in the State of Kerala".
2. These guidelines shall come into force with effect from the academic year 2015-16 includible in the KEAM 2015 Prospectus for Professional Degree Courses.
3. The list of 16 castes/communities including their sub-castes under six heads specified in Annexure-XI KEAM Prospectus for the academic year 2014-2015, until a revised list of SEBCs is prepared after proper study, will be the list of SEBCs for whom the creamy layer guideline would apply. Annexure A.
4. The creamy layer criteria fixed for the purpose of Article 16(4) in Annexure-D SCHEDULE to G.O. (P) No.81/09/SCS/POD dated 26<sup>th</sup> September, 2009 (Appendix V), the income limit as modified from time to time and the clarification to the G.O. dated 26.09.2009 issued by the State Government in Circular No.2739-1/2011/SCSTDD dated 14.06.2010 is recommended for adopting and applying for exclusion of socially advanced persons/sections (creamy layer) among the SEBC communities for the purpose of reservation admission to Professional Degree Courses under Article 15(4) also with the following modifications. In Annexure-D SCHEDULE, in column 3 - To whom rule of exclusion will apply - under Category-II - Service Category against B - Group - B/Class II Officers - in (c) and (d) the word "B" brackets "direct recruit or pre thirty five promoted"

the following words, namely, "direct recruit or pre thirty six promoted" in brackets shall be substituted.

Note: This modification is suggested in view of the enhancement of the age of retirement of State Government employees from 55 to 56 as on this date.

5. ₹ 6 lakh or above is fixed as the gross annual income limit for determining the creamy layer among the SEBCs or possessing wealth above the exemption limit as prescribed in the Wealth Tax Act for a period of three consecutive years.

Note: While determining the creamy layer status of any applicant for the purposes of obtaining reservation benefits contemplated under article 15(4) by applying the Income/Wealth Tax under category VI in Annexure D of the Government order dated 26.09.2009 (which at present is applicable for the purposes of reservation under article 15(4) only) can be adopted and followed. The KSCBC, in fixing the

income limit at ₹ 6 lakh for the purpose of Article 15(4) took into account the exclusion of income from salaries and income from agricultural land in computing the gross annual income. It means that even if income from salaries or income from agricultural land of the parents of any candidate, either separately or taken together, exceeds the income limit fixed under category VI unless there is Other Income which is more than the income limit fixed under category VI he/she does not become a creamy layer ineligible for the reservation benefits under Article 15(4). In other words what is reckoned for the computation of gross annual income limit for such persons is the income from 'Other Sources' only and not any other income. Similarly, the candidate shall not be treated as creamy layer

PRINCIPAL  
OFFICE OF THE  
SCIENCE & RESEARCH  
DEPARTMENT  
BANGALORE  
PURAM-28

provided neither parents do not possess wealth above the exemption limit as prescribed in the Wealth Tax Act for a period of three consecutive years. In effect, in the case of applicants whose parents having income from salary or income from agricultural land when the income considered for fixing the income limit of ₹ 6 lakh it is as good as fixing a substantial amount. This will be sufficient for giving Professional education to their children at least two in number in a reasonable way. Hence adoption of the method of computation of income under the Income/Wealth Test under Category VI of the Schedule to the Government Order dated 26.09.2009 for the purpose of Article 15(1) is an absolute necessity.

6. The criteria for exclusion of creamy layer for reservation to SEBCs in admissions to Professional Degree Courses mentioned in the KEAM Prospectus is given in the Schedule attached hereto. The GO (P) No.228/66/Edn dated 02.05.1966 dealt with under para 4 under Recommendation No.1 providing for income criteria will stand modified as above.

7. The clarification to the Government order dated 26.09.2009 issued by the State Government in circular No. 27396/F3/0285/STDD dated 14.06.2010 (Appendix V(A)) shall be applied for issue of Non-creamy layer certificate to the eligible SEBCs.

8. The Creamy layer criteria applied to SEBCs shall be applied to OECs as well in the matter of reservation in admissions under Article 15(1).

9. At present the daughters of inter caste married couple need not produce family income certificate for claiming SEBC reservation. In other cases they are excluded from the income limit fixed in the G.O. dated 02.05.1966. Since the eligibility criteria based solely on income is given a go by and the new creamy layer criteria is introduced for exclusion of socially advanced persons among in the SEBC communities the Government Orders favouring their favour cannot stand. As such the KSCBC do not find any reason at present to exclude them from the application of the new creamy layer criteria including the Income/Wealth Test.

10. The form of application for the issue of certificate is shown in Annexure II.

11. Form of certificate to be produced by SEBCs for admission to Professional Degree Courses is shown in Annexure III.

12. The authority to issue the certificate to candidates who do not belong to the creamy layer will be any one of the following Officers:

a) District Magistrate/Additional District Magistrate/Collector/  
I Class Stipendiary Magistrate/Sub Divisional Magistrate/  
Tahsil Magistrate/ Executive Magistrate/Extra Assistant  
Commissioner (not below the rank of I Class Stipendiary  
Magistrate)

b) Extra Presidency Magistrate/Additional Chief  
Presidency Magistrate/ Presidency Magistrate

c) Revenue Officer not below the rank of Tahsildar and

d) Sub Divisional Officer of the area where the candidate

and of his family normally resides

Creamy layer certificate applied for should be issued or refused

as the case may be within 7 days of the receipt of the application.
