PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

ELIXIR, BLOOD DONATION 2021

Blood donation is all about giving life to other people. Understanding the importance of donating blood, the Department of Public Health Dentistry, the faculties of other fraternities, students, in association with NSS and Alumini of PMS College of Dental science and Research took the initiative to organise a Blood Donation Drive in the college premises, on 09.12.2021 from 9:00 am to 1:00pm.

The faculties and technicians from Sree Chithra Thirunal Institute for Medical Science and technology were invited through the Kerala Blood Donor`s Association for the campaign.

An awareness talk on importance of blood donation was organized for patients and was delivered by Dr. Rakesh Koshy Zachariah, Professor Department of Oral and Maxillofacial Surgery & Dr. Swathi Anand P J, Dr. Deepan Kumar and Dr. Kiran Shankar of Department of Public Health Dentistry, actively organized the venue, screening for fitness of potential donors with the Interns.

The Blood collection, preceded by initial screening with questionnaires and counselling, health fitness check-ups (Haemoglobin counts, weight) and medical fitness was obtained with consultation, by Dr. Angel Mary, MBBS,

THUVALSPARSHAM

The department of Oral Pathology, PMS College of Dental Science & Research has been actively involved in conducting series of Oral cancer Awareness and Detection camps with in the various districts of the state. To mention a few; The large scale population based Oral Cancer screening programmes with multilevel awareness campaign conducted at Punalur 35 wards of Punalur Municipality in association with Directorate of Health Services (DHS) & Taluk Hospital Punalur on December 2016, screening more than 3500 high risk population. Out of the screened population, eight cancers were identified and referred to the Regional Cancer Centre for treatment and follow up. More than 50 high risk patients were also identified and a systematic follow up is being done. This large scale survey was proposed and accepted as a classic model by the Indian Association of Oral and Maxillofacial Pathologists (IAOMP) and advised to be followed by the other states also. In addition to the numerous awareness campaigns at schools and college levels, on the basis of multiple oral cancer screening and awareness camp conducted at tribal population of Arippa and Maniyar areas of Kollam district, the Department of Oral and Maxillofacial Pathology has been officially invited to collaborate with the National Health Mission and Arogya Keralam programme of the tribal welfare department. Series of Oral Cancer Detection camps have been conducting in association with Indian Association of oral and Maxillofacial Pathology under the theme of "INDIA CANCER"

Trivandrum
1st August 2016

The Chairman
PMS College of Dental Science and Research
Golden Hills, Vattapara, Trivandrum

Respected Sir

“Swasthi Foundation” is a humanitarian organisation started by a group of thoughtful, committed and dedicated people with the intention of bringing about a positive change in the lives of children, families and communities living in poverty, disease and with no course to justice. These dutiful citizens believe that life is always better, by offering a helping hand to the needy! They are willing to go an extra mile and touch your life....make the future.

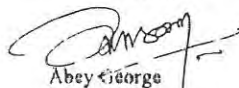

We express our sincere appreciation and gratitude in the whole hearted support rendered by your team of Doctors during the second phase of “Snehathalam ” covering Oral cancer which successfully conducted more than 100 awareness camps at schools and colleges and screening camps at coastal areas and rural belts.

We are now stepping forward with ” Snehathalam Phase 3” intended to cover Breast as well as Oral cancer with camps scheduled in different locations of Trivandrum district twice on week days and all Saturdays and Sundays till second week of September 2016.

Looking forward to your continued support and patronage in taking forward this project to the masses.

Thanking you

Yours sincerely

Abey George
