

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

POLICY DOCUMENTS

E-GOVERNANCE IN PMS COLLEGE OF DENTAL SCIENCE AND RESEARCH

- E-Governance in PMSCDSR has steadily evolved from computerization of individual departments to initiatives that encapsulate the finer areas of Governance, such as Academic Planning and Development, Administration, Finance and Accounts, Student Admission and Support and in Examinations

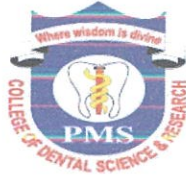

- Objectives
 - The College has decided to implement E-governance in all functioning areas like Administration, Accounts, Student Admissions, Teaching and Learning, Examinations etc.
 - The primary aim is to facilitate every service transparent and accountable.
 - Implementation of E-governance in every functioning realm of the Institution to ensure simple, responsive, and transparent governance within the different departments in the Institution.
 - To provide quick and easy access to all areas of interest.
 - To advocate accountability and transparency in all the functioning systems in the College.
 - To make the campus Wi Fi enabled.
 - To facilitate fully automated Library.
 - To provide ICT enabled classrooms for all students with the aid of Smart board, projectors and likewise.
 - The Institution decides to execute the following policies in each section.

E-GOVERNANCE IN ACADEMIC PLANNING AND DEVELOPMENT

- Our Institution, PMS College of Dental Science and Research, has a dedicated and freely accessible website which is a prime example of an educational website that puts the user first.
- On our website, visitors can get a feel of campus life, explore education opportunities, learn about our rich history including stories of students, faculty and alumni and much more.
- All the contents on the website are timely updated with regards to online application processes, latest news and events including pictures and brochures of events like Webinars and CDE programs.
- All Academic activities are now integrated through the Learning Management Software (LMS).
