

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

Measures initiated by the Institution for promotion of gender equity during last five years.

Introduction

Gender Sensitization is a basic requirement to understand the sensitive requisite of a particular gender. Sustainable development relies on ending discrimination towards women and bestowing equal admittance to education and opportunities for employment.

The significance of nurturing equality amongst men and women in any domain is at the forefront of our institution. The proportion of female faculties, students and employees in our institution is 2 to 3 times as much as their male counterparts. Our aim is to provide a sense of equity-based work place environment to all the stakeholders. For the past few years, we have been organizing programs that highlights and enlightens our faculties, students and employees about handling delicate issues and situations with clarity and professionalism.

Celebration of International Women's Day where the issues pertaining to women, women's health, safety are highlighted. Besides Women's Day we have been celebrating International Men's Day and Transgender's Day.

Specific facilities provided for women

Safety and Security

To strengthen and ensure the safety and security of all our students, faculties and employees in general and women in particular, the institution has put the following measures in place –

1. Entire campus is under 24/7 surveillance with 128 CCTV cameras in and around the campus.
2. The institution has employed 24-hour security to watch over the campus and movements of the people who enter and exit.
3. Vehicle entry is under strict surveillance of the security staffs. The vehicle number is noted and monitored on entry and exit.
4. Students are permitted to leave the campus during college hours only by submission of gate pass issued by Principal/ Administrator to the duty security officer
5. Hostel inmates leaving the campus after college hours should obtain the hostel gate pass issued by the Warden and has to be handed over on return.
6. 'No parking' signboards are fixed at various points within the campus.
7. Presence of female faculties in all the committees in the institution.
8. Formation of student support and guidance program
9. Anti-ragging committee
10. Anti-Sexual harassment committee.
11. Anti-discrimination cell
12. Student grievance addressing committee

PRINCIPAL

SCIENCE & RESEARCH
THIRUVANANTHAPURAM-28

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

13. Extra security is provided for the 1st BDS students from the day of induction till 3 months and will be under strict monitoring for 3 more months.
14. Separate prayer room, common rooms provided for girls.

Counselling

A student counsellor is appointed to address the student facing problems, to counsel and bring them back to enjoy their student life.

Mentor-mentee system is also implemented in our institute for the betterment of student life.

Campus facilities

1. Separate Rest rooms, recreation facilities, safety lockers, Prayer rooms are provided
2. Books and magazines pertaining to women empowerment in the library
3. Common rooms, prayer room, swimming pool and gymnasium usage is equal for both genders.

Day care

A day care center is present in our campus with trained staff to take care of the children of the employees of our institution.

PMS DAYCARE

POLICIES & PROCEDURES

OBJECTIVES

1. To ensure quality daycare for all children admitted.
2. Encourage a child's entire development by providing:
 - A friendly, secure and pleasant environment with professional child care.
 - A wide range of activities aimed at improving children's emotional, intellectual, artistic, and spiritual well-being.
 - A tension free atmosphere for the parents in the institution.
3. To aid in developing positive parenting abilities.
4. To provide support to parents who are dealing with behavioural concerns in their children.
6. To assist parents in learning about normal child development and other child-related topics.
7. Children should receive safe and homely care during daycare hours.
7. Children with developmental issues must be referred to appropriate support and care.
8. Parents should be educated about their child's behaviour, health and nutritional requirements.

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH
THIRUVANANTHAPURAM-28

9. Parents should be enlightened with parenting skills, including options for behaviour management.

10. Health and child-care issues should be better understood by parents.

Attendance

Policy:

- Regular attendance at the daycare center is extremely important.
- Parents can visit their children in the daycare at any time provided the parents maintain their hygiene.

Procedure

- Absence on any particular day, the parents should intimate the responsible personnel by 8am.

Arrival

Upon arrival, the parents shall

- Place all diaper bags and extra clothing in the cubby or bin for the child to avoid any infections.
- Label all bottles that need to be kept cold in the refrigerator, including soothers.
- Tell the staff member of the day care regarding your child's sleep and morning routine.
- Any medication that is required should be supplied with a doctor's prescription in writing to the authorities.

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH,
THIRUVANANTHAPURAM-28

Departure

Upon departure, the parents should

- Talk with the staff about their children's day.
- Maintain a personal contact with a staff member.
- Check your ward for any mishaps.

Daycare staff should

- If a child has missed three days of childcare in a row, contact the parents or guardians.
- Discuss the cause for the absence with the parents or guardians.
- Ensure that the child is safe and free of fatal or communicable diseases so that it does not affect the health of the other children coming in.

OPERATING HOURS

Throughout the year, the daycare will be open from Monday to Saturday. The College's working hours will define the hour of daycare functioning. To support continuing development, activities within the program will be monitored and altered in conjunction with parents, childcare workers, and other associated experts.

STAFF AT THE DAYCARE CENTRE:

All daycare staff must be fully vaccinated and trained in general hygiene and first aid procedures. All staff should have years of work experience in the field of

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH
THIRUVANANTHAPURAM-28

childcare. The authorities will ensure the character of the staff in aspects like compassion as it is mandatory in this particular field.

REPORT INCIDENCE.

A parent should notify the daycare staff if their child exhibits unusual behaviour, falls, gets food poisoning, or develops a sickness.

DAY CARE CHARGES

The charges for the daycare facility will be as follows from December 2021.

Sl No.	Age Group	Fees (INR)
1.	From 6 months to 2 years	3000/-
2.	From 2 Years to 4 Years	2000/-
3.	From 4 year to 6 years	1500/-
4.	From 6 years and above	1000/-

DENTAL CAMP TO THE DALE VIEW

TRANSGENDER PROJECT

INTRODUCTON

Health for all is the attainment by all the people of the world a level of health that will permit them to lead a socially and economically productive life. Gender is hierarchical and produces inequalities that intersect with other social and economic inequalities. The LGBT community is a loosely defined grouping of lesbian, gay, bisexual and transgender. Transgender and gender nonconforming people are a marginalized set of the population that continues to experience health care inequalities.

20th of November has been observed annually as **The Transgender Day of Remembrance** to memorialize those who have been murdered as a result of transphobia, the day is been followed to throw some lime light on the social discriminations

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH
THIRUVANANTHAPURAM-20

by transgender community. A dental camp is been organised regularly by Department of Public Health Dentistry, PMS College of Dental Science and Research in association with **The Daleview Transgender Project camp at Kunnukuzhy, Trivandrum** on 20th November, 2021. A questionnaire study was carried out to assess the barriers that are being faced by transgender community while accessing oral health care.

Dentists work together for caring and improving the oral health through preventing and treating oral diseases and promoting oral health among the public. This study aims to assess the barriers to access oral health care among the transgender populations.

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH
THIRUVANANTHAPURAM-28

PROGRAM EVENTS

A team of 6 house surgeons and a dental nurse, headed by Dr. Deepankumar C V (Asst. Prof, Dept. of Public Health Dentistry) started off from the college by 9:00 am with the comprehensive dental van to the camp site, **The Daleview Transgender Project camp at Kunnukuzhy, Trivandrum**. We had been volunteered by Mrs. Jeena and Mr. Akhil.

On reaching the venue Dr Kiran S Shankar had already made arrangements necessary for the screening, initially our team with Dr Deepan Kumar C V, had a discussion on pursuing the questionnaire study by including a transgender volunteer for administering the questionnaire and an intern each

to record the oral health status using WHO assessment form. The Participants who required treatment were referred to dental van facility for basic treatment.

Our team rendered essential dental health care at the venue which included health promotion through; oral health awareness, oral hygiene instructions and specific basic treatment such as oral prophylaxis, restorations(ART), antibiotic prophylaxis, etc., totally free of cost. Patients were referred to our college for further advanced treatments and follow-up. We had a fair participation, number of 30 transgender participated in the camp. The Camp was concluded with last participant screened at 1.30 PM. The

PRINCIPAL
PMS COLLEGE OF DENTAL
SCIENCE & RESEARCH
THIRUVANANTHAPURAM-28

President Mr Dipin Das, of Daleview Transgender Project finally gave the vote of thanks and our work was appreciated by serving us with hi-lunch.

CONCLUSION

The Community were so cooperative, eager to know about their oral health status and were also keen to follow all of the instructions provided by us and were willing to undergo various treatments as well. They also expressed the negligence experienced by them in the past from other medical professionals. But they appreciated and thanked the social commitment and community work rendered by PMS College of dental sciences and research and extended their interest to carry out further sustainable programs in future.
