## CODE OF CONDUCT MONITORING COMMITTEE

ACADEMIC YEAR-2016-17

PMS College of Dental Science and Research as an institution with social responsibility, is committed to establish a suitable platform for all, irrespective of socio-economic barriers, to enable them to enjoy the benefit of learning. The institute imparts sense of equality, transcending the barriers of gender, caste and creed and to create an atmosphere conducive to intellectual empowerment to the learners. The goal of this institution of higher learning is to shape better individuals with a spirit of service and sacrifice who could engage themselves in meaningful service to the society, contributing for its betterment. Our venture will always be to equip students with the necessary tools to initiate character formation, thus making them instrumental in social transformation. In this continuation a committee comprising the following members is constituted to follow and implement the code of conduct in our institute, as under
