

PMS COLLEGE OF DENTAL SCIENCES AND RESEARCH,

ANNUAL REPORT 2016-2017

COLLEGE PROFILE

PMS College of Dental Science & Research, setup at Thiruvananthapuram is the brain child of NRI services and educational trust established in the year 2002. It is a premier Dental College in Kerala, named after the great visionary, LATE SRI. P. M. SHAHUL HAMEED, father of the Chairman Dr. P.S. Thaha.

College is a venture with a cause of enhancing the state's self-reliance in the field of quality education in Dental Medicine and Surgery and is also the first self-financing dental college in Kerala. The total area of the college is around 2 lakhs sq. ft. situated in 12 acres of land at Vattappara, well connected by road, rail and air. The institution, recognized by the Dental Council of India (DCI) is affiliated to Kerala University of Health Science(KUHS). We take pride in saying that the institution was the first to achieve the ISO 9001-2000 certification award among the Dental institutions in India and the first Dental College in Kerala with NAAC accreditation.

PMS College of Dental Science & Research started with 40 admissions for BDS Course and the number of BDS intake has increased to 100 in the year 2011. We have also started Post Graduation in the year 2010 with 23 admissions and the total seats increased to 36 in 2016.

The College also houses Implantology, Laser Dentistry to give our students the best exposure to the latest trends and innovations in Dentistry. The students and faculty get ample opportunities to associate themselves with several dental programs organized in the college under the guidance of experts from India and abroad.

On the anvil is a full-fledged Dental College that meets the standards of the most prestigious institutions in and outsides radia in terros of facilities and faculties.

OUR VISION

To be an outstanding Dental & Research Institute of International repute for producing dental professionals with skills, knowledge and values

OUR MISSION

- Promote sustainable development of Dental and allied Health Education, consistent with statutory and regulatory requirements.
 - Plan and continuously provide excellent infrastructure, learning resources required for quality education and innovations.
 - Stimulate, to extend the frontiers of knowledge, through Faculty Development and Continuing Education Programs.
 - Impart awareness on Dental Science and Oral Health to the society with special reference to Educational Institutions.
 - Make research a significant activity involving Staff, Students and Society.
 - Promote collaborations with Regional, National and International Institutions
 - Establish healthy and regular interactions with all stakeholders for vision oriented growth.

Fulfill the National Obligation through participation and contribution to National Health Programs.

SCHINGE & RESEARCH

Provide regular value based education to the students

CHAIRMAN'S MESSAGE

Our vision is to emerge as a pioneer Dental and Research institute of global repute which is known for bringing forth dental professionals with expertise, dedication and social commitment. For that, we have already seized the opportunity to rethink and reposition ourselves through an innovative curriculum, talent mining and strategic alliances.

While moving to the forefront of Dental education, our spotlight falls on inventing novel platforms for knowledge creation and transfer through relentless research.100% student centered learning is already practiced and we encourage the learners to manifest their knowledge and keep raising their benchmarks of performance.

We remain committed to the sustainable development of Dental and allied Health Education. Innovation plays a pivotal role and we aim to continuously and consistently nurture talent providing the best infrastructure as well as learning resources. By our constant engagement and initiatives towards faculty development and interactive learning programs intended to impart awareness and knowledge transfer; we make sure that research becomes a major activity. While providing value based education to students, we also remains socially responsible for participating and contributing to national health programs.

In short, we make every possible step to envision and ensure a bright future for all.

Dr. P.S. Thaha

Chairman

MESSAGE FROM PRINCIPAL

Dear Student,

Welcome to the fraternity of PMS College of Dental Science and Research.

Our college strides to bring together students with a specific goal in life and a dynamic approach to achieve it.

Our aim is to nurture talents in the field of dentistry on the firm foundations of global competencies and inviolable ethical principles.

We are proud to have you with us and it will be our sincere endeavour to fulfil your learning objectives.

During this course, while we take you through the fascinating world of study of human body, we shall also help you to acquire all skills necessary to make you an excellent professional and a good human being.

We do hope you will have a meaningful learning experience.

With best wishes,

PRINCIPAL

2016

NOTEWORTHY COLLEGE ACTIVITIES DURING 2016-2017

- Our College has signed a three year MOU for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA from 14.07.2016 to 13.07.2019. During the program school materials, pre-clinical kits, food accommodation, transport facilities, social activities and certificate of attendance will be given.
- College has signed a seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development from 04.03.2016 to 03.03.2023
- 3 Our MOU extension in the form of Faculty/Student Exchange with University Degli Studi Di Genova Italy is still ongoing from the last academic year.
- Our College has signed a five year MOU with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing from 03.08.2016 to 02.08.2021.
- Dr. Sherin A Khalam featured on Amrita TV under Arogya Varthakal on 18th January 2016 on Recent Advances in Oral & Maxillofacial Surgery.
- 6. A Seminar was organized for the Departments of Orthodontics, Pedodontics & OMFS on Newer Trends of Treatment Management in Orthodontics and Dentofacial Orthopaedics by Dr. Anil Ardeshana DMD, Director Post Graduate Orthodontics & Research) Rutgers University, New York on 29th February & 1st March 2016.

- 7. On the 8th of March, International women's day was celebrated at PMS College of Dental Science and Research. This program was organized to celebrate the achievements and significance of women in the society. The program was inaugurated by the Principal, Dr N O Varghese. There was a total of 87 participants in the program. A debate competition was conducted for the 1st & 2nd year BDS students in the Auditorium from 3.00 pm- 4.00 pm. The winners were appreciated. The program was concluded by Dr Sudeep S, Professor Department of Prosthodontics with a vote of thanks.
- College conducted a Teachers Training Program (Two Modules) for our faculty in association with faculty of Govt. Medical College Trivandrum on 9th & 10th & 30th & 31st March 2016
- College had a periodic Inspection for Continuation of Affiliation by KUHS on 23rd March 2016
- 10. College celebrated International Women's Day on March 8th 2016 A debate competition for 1st & 2nd year BDS students in the Auditorium between 3.00 pm – 4.00 pm was conducted. The topic was "Men and Women equal at last"
- 11. The College reconstituted Anti-Ragging Committee on 11th April 2016, comprising of Dr.N.O. Varghese, Dr.Rajesh Pillai, Dr. Sudeep S, Dr.Vivek V, Dr.T.T.Sivakumar, Dr.Vinod Mony, Dr. Archana V, Dr.Biju Balachandran, , Mr.Siyavudeen, Mr.Salim K M(Parent Representative), Mr.Mohammed Shafi (Student Representative), Ms.Asha Mary George (Student Representative), Adv.V.Suresh(Legal Advisor), Mr.Abhishek Jana (Warden Men's Hostel), Mrs. Lathika (Warden Ladies Hostel).
- 12. A Doctor Live program was telecasted on Asianet News Channel on 8th April 2016 between 1.30 pm - 2.00 pm by faculty Dr.Rajesh Pillai, Professor, Conservative Dentistry.
- 13. On 31st May 2016 as part of observing No Tobacco Day College conducted A Blue Ribbon Campaign, oral health awareness program through Walkathon from Kowdiar to

Kanakakunnu Palace followed by flash mob and street play at Kanakakunnu palace on Tuesday 31st May 2016 from 11.00 am – 1.30 pm.

- 14. College started a fellowship in Implantology & Laser Dentistry from May 2016 and this fellowship program was carried out in two modules spanning 2.5 days each (Twice in a year).
- 15. College organized a training program on Behaviour & Work Culture from 10th to 12th May from 1.15 pm 4.15 pm in the A/C auditorium in association with Central Board for Workers Education.
- 16. PG Induction Ceremony for the year 2016 was conducted on 1st June 2016 in the A/c auditorium Dr Babu Paul IAS was the Chief Guest (2016-17 Batch) Dr Vivek V was appointed as Member Secretary of Institutional Ethical Committee with effect from 10.06.2016.
- 17. The College organized a convocation ceremony of fourth batch of Diploma in Laser Dentistry affiliated to University of Genova on 8th July 2016 at 2.00 pm in the A/c auditorium. Chief Guest was Stefano Benedicenti Dean University of Genova and Guest of honour was Claudio Modena Department of Implant Dentistry University of Genova.
- 18. Training program titled Dentist Professional Development was conducted on 15.07.2016 in the College by Dr.Sebi Varghese; he is a PG Diploma holder & Medical Law & Ethics and underwent PG training with FGDP & FDS, Royal College of Surgeons, England.
- 19. An external training program organized by Department of Periodontics on 30th September 2016 (Friday) at A/C auditorium, Dr.Arun K V, Professor Department of Periodontes, Ragas Dental College, Chennai was the faculty, the topic of the lecture was Periodontal Microsurgery
- 20. College celebrated Onam on 27th September 2016 was a small cultural program and lunch.

SCHENCE & RESEARCH THIRUVANANTHAPURAM-28

- College had organized a Workshop on Research Methodology on 5th & 6th september
 2016 for 1st MDS Students. Dr.Krithika Datta & Dr.Jayanthi Varun were the resource persons.
- 22. Dr.Aswathy, Dr.Jeena & Dr.Vinny Final year PG Students of Pedodontics secured 1st prize in Debate on the topic Revascularization in the 38th National Conference of Indian Society of Pedodontics & Preventive Dentistry 2016, conducted from 19th October to 22nd October 2016.
- College announced a Diploma in Laser Dentistry associated with Genova University,
 Italy, comprising of 5 modules on 23rd October 2016

 Module 1
 23rd and 24th October 2016

 Module 2
 25th, 26th and 27th October 2016

 Module 3
 1st, 2nd and 3rd December 2016

 Module 4
 4th, 5th and 6th December 2016

 Module 5
 8th, 9th and 10th January 2017

- 24. A special counseling of freshly joined 1st BDS students by the famous psychologist Dr.Sunil Raj was organized on 6th October 2016 between 8.00 am – 10.00 am
- Post Graduate students from Oral Pathology participated in National Cancer awareness program on 7th November 2016 organized by Community Oncology Division of Regional Cancer Centre.
- Mr.Bijoy, Superintendent of Police, Traffic (South Zone), delivered a talk on Anti-Ragging Awareness on 29.11.2016 at 11.00 am in the A/c Auditorium for all 1st BDS Students.
- 27. As part of Life Skill Development a class was organised on Non-Verbal Communication or body language by Mr. Vijagakrishnan, a corporate HR Trainer on 26.11.2016 between 8.15 am 10.30 am in the A7c Anditorium

- Live telecast on Hello Doctor on Kairali People channel featured Dr.Rajesh Pillai Professor & HOD, Conservative Dentistry & Endodontics on 07.11.2016 at 3.30 pm.
- 29. The College Day was conducted on 14th December 2016. Mr. Sajan Peter IAS Addl. Chief Secretary (Rtd).Govt.of Kerala was the Chief Guest & Mr.John Kuriakose, Managing Director; Dent Care Laboratories was also felicitated during the program.
- An Oral Cancer Screening Program was organized by Department of Oral Pathology on 3rd December 2016 at 8.00 am at Punalur Taluk Headquarters Hospital.
- College has decided to conduct Sports Fest on 6th & 7th December 2016 at University Stadium Trivandrum, cultural fest on 9th & 10th December 2016 and College Day on 14.12.2016.
- College has decided to start an Internal Training Program (Clinical Club) featuring every Department in chronological sequence on 2nd & 4th Thursday of every month.
- 33. Financial Assistance to College / School going children for Educational purpose under the Employee Welfare Scheme will be provided for all employees of the College who are drawing below 10,000/- monthly salary.
- 34. The College constituted Anti- Ragging Squad for the year 2016-17, comprising of Dr.Rajesh Pillai, Dr.T.T.Sivakumar, Dr. Vivek V, Dr. Afzal A, Dr. Archana V, Dr. Asha G Sivaram, Dr. Varun B R, and Dr. Parvathy L R.
- 35. On account of World AIDS Day 1st December, Department of Public Health Dentistry observed and supported UNAIDS awareness campaign and posted a heartfelt message on UNAIDS Face Book page.
- 36. As per the direction of DCI all students and their parents are required to file an affidavit on commitment to Anti-Ragging Philosophiy.
- 37. Hands on Training in Molecular Biology Techniques conducted for Basic Science faculties by KUHS at ICMR/DHR Multi Research, Govt. Medical College Kozhikode in November 2016.

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH THIRUVANANTHAPURAM-28

 In this academic year 2016-2017, average number of patients treated as out patients are 265950 and inpatients are 209.

CURRICULUM PLANNING AND IMPLEMENTATION

College is affiliated to Kerala University of Health Sciences (KUHS), Kerala, Hence curriculum design is done by University in accordance with DCl regulations. University adopts a fair means for curriculum designing by incorporating the board of study members from different constituent colleges for the implementation of the best updated curriculum. The institution has Under Graduate & 8 Post Graduate programs. The curriculum delivery and documentation is institutionalized in line with the vision and mission of the College. There exists a well-established organizational hierarchy for the dissemination of curriculum content. The curriculum emphasizes an acquiring adequate knowledge, skills and approach towards Oro-dental infections in interest with national and international oral health requirements. The process of curriculum delivery begins with College council meet to chart out the academic plan and time framework. The Principal of the institution along with the Academic Deans and Directors prepares the Academic Calendar. This is followed by the instructions given to the Academic Committee to prepare appropriate academic schedules. The Associate Dean (Academics) prepares the timetable for each batch and the subjects are allotted to the concerned faculty members on the basis of their time table. Monthly schedules and teaching schedules are prepared by the respective teaching faculty under the guidance of Head of the Departments. The academic schedules are published in the institutional website and student hand book. Theory classes are conducted in didactic method incorporated with various teaching learning activities and ICT facilities for effectively imparting the subject knowledge well emipped laboratories and efficient staff provides expertise in each subjects. Chnical postings and demonstrations enriches the students with adequate clinical exposure. Formative and summative valuations are carried out and the internal examinations are conducted as a requirement of University morns ental

Teachers carry out remedial classes and special trainings to improve the student performances.

Continuous assessment system is in place with monthly tests, assignments, seminars and discussions to nurture academic excellence. Institution provides academic flexibility and conducts inter departmental courses like certificate programs in Implant and Laser Dentistry to equip our students with the global need of dentistry. The students are also posted in Comprehensive clinic for more clinical exposure. Clinical clubs and peripheral postings for Post Graduate students deepen the academic excellence. Research culture is imbibed in the students by means of conducting Continuing Dental Education programs and encouraging them for scientific presentations and publications. In order to integrate moral values, ethics and personality development, mentor interaction system is in place. Value added courses, study tours, field visits, community outreach programs enriches the curriculum. Students are encouraged to take up extracurricular activities by forming various clubs & NSS units, for their mental and physical build up. Well-equipped and updated central library augments the academic requirements. Hostel facilities and Resident Lecturers boosts the in-house training system. Alumni & PTA are in place for providing strong support and over all development of students. Feedback system is in place which collects feedbacks from students, faculty members, stake holders, external experts which is analyzed for overall development of the students.

RESEARCH PROMOTION

Institution has definite policy and procedure for research and extension activities. The institutional Scientific Committee and Research Committee contribute for the strategic development of research atmosphere in the institution. The suggestions for the improvements regarding the research and development are discussed in the IQAC for implementation. Budget allocation is done yearly for the upgradation of research facility of the institution. Institutional Ethical Committee over looks the research proposals of students and faculty channelizes the scope of bringing in more research activities to the institution. The Director (CDE) is entrusted with the conduct of maximum number of CDEs for imparting scientific knowledge in the subject. The regular clinical clubs conducted under the supervision of UG Director and PG Director. Research Committee is encouraging the faculty and students for research presentation, publications and attending conferences.

AWARDS AND ACHIEVEMENTS OF FACULTIES DURING THE YEAR 2016-2017

1	2010, 2016- 17	DR. PRESANTHIL A JANAM	PhD GUIDE OF KUHS	KUHS
---	----------------------	------------------------	----------------------	------

LIST OF COMMITTEES

- 1. Administrative Committee
- Academic Committee
- IQAC
- 4. Admission Committee
- 5. Finance Committee
- 6. IT Committee
- 7. Library Committee
- Examination Committee
- 9 Journal Committee
- 10. Research Committee
- 11. Ethical Committee
- 12. Student Grievance Cell
- 13 Hostel Committee
- 14. Maintenance Committee
- 15. Cultural Club
- 16. Nature club

- 17. Anti Ragging Committee
- 18. Anti Ragging Squads
- 19. Infection Control committee
- 20. Anti Narcotic Cell
- 21. Anti Sexual Harrasment Committee
- 22. Anti Discrimination Cell

BEST PRACTICES

- Best academic quality maintained through regular upgradation and improvisation of teaching and learning system.
- Best patient care system and quality treatment.

MOU/LINKAGES/COLLABORATION WITH INSTITUTIONS/ INDUSTRIES IN INDIA/ ABROAD DURING THE YEAR 2016

- Our College has signed a three year MOU for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA from 14.07.2016 to 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social activities and certificate of attendance will be given.
- College has signed a seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development from 04.03.2016 to 03.03.2023
- Our MOU extension in the form of Faculty/Student Exchange with University Degli
 Studi Di Genova Italy is still ongoing from the last academic year.
- Our College has signed a five year MOU with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing from 03.08.2016 to 02.08.2021.

SCH NCE & RESEARCH THIRDVANANTHAPURAM-28

Welfare Measures for Teaching and Non-Teaching Staff

Following are the main welfare measures provided to the staff of PMS Dental College by the Management.

- Accident Insurance Coverage: The College is providing Accident Insurance Scheme to all teaching and non-teaching staff with the tie up of M/s National Insurance Co.Ltd / Bajaj Allianz General Insurance Co. Ltd.
- Employee State Insurance Scheme (ESI): This is provided to all non-teaching staff
 towards the medical benefits to staff and their family members. This scheme is under the
 Employment State Insurance Corporation, Ministry of Law & Employment Govt. of India.
- Staff Hepatitis Screening Camp: Provides free Hepatitis screening camp every year along with Titer checking and vaccination facility / coverage.
- 4. Provident Fund Scheme: This scheme is an Investment scheme under Employee Provident Fund Organization under Government of India. Under this scheme, employees are benefited with lifelong pension, Insurance benefit and interest on high returns.

Welfare Measures for Students

- Educational assistance to BPL students
- 2. Dental treatment concession
- Academic and extracurricular achievements are scheered by giving cash awards and certificates during College Day celebration.

- Students Support Guidance & Progression cell looks into overall personal and professional development of the students
- 5. In house medical officer facilitates Medical assistance for the needy.
- Hostel Committee provides adequate facilities for academic as well as physical and mental growth of the students.
- 7. Anti-Ragging Committee ensures safe and carefree campus for the new comers.
- Entertainment in terms of Evening cafeteria initiated for diverse cuisine and refreshment facilities arranged in the campus.
- Travel assistance and facility towards to nearest bus station, railway station, hospital and airport.
- 10. Free Medical OP Consultation facility for students.

GOVERNMENT SCHOLARSHIPS/ e-GRANTS/ INSTITUTIONAL SCHOLARSHIPS/ FEE WAIVERS

Our Institution facilitates those students below the poverty line or can't afford the fees to avail with e Grants and Scholarships from Kerala state Government and Institutional Scholarships. In this academic year about 3 students are benefitted by Government Scholarship and Fee waivers.

Workshop on research Methodology

5-9-2016 to 6-9-2016

WORKSHOP ON RESEARCH METHODOLOGY

The CDE Committee PMS college of dental science and Research conducted two day CDE on5th and 6th september 2016 on Research Methodology by eminent speakers Dr M S Muthu MDS, PhD and Dr Jayanthi Varun. The programme registration started at 8 00 am. There were 31 delegates comprising of post graduate students. Program started with a silent prayer. Dr N O Varghese welcomed all the participants, Dr Sudeep S R Professor Department of prosthodontics shared, words of wisdom with the participants followed by lighting of the lamp.

Dr Presanthila Janam addressed the gathering and invited the speaker for his oration.

Vote of thanks was delivered by DR RAJESH PILLAI professor department of

Conservative Dentistry.

It was a 2 day programme. On the first day lecture started at 9.00 am, Dr M S Muthu explained well about who needs research, How to gather literature evidence, critical appraisal of the journal. The Hand-on in the afternoon session commenced at 2.00 pm after lunch break. Dr M S Muthu and Dr Jayanthi Varun trained paticipants on how to search the internet for scientific information. And how to read journal articles.

On second day lectures started at 9.00 am and continued till 1.00 pm on topics general hypothesis, study designs, hypothesis testing and scientific writing. In the afternoon session hands on training was given on how to develop a research question and critical appraisal of statistics in published articles. The programme concluded at 5.00 pm after an interactive session.

Dr N O Varghese Principal, PMS Dental College

PERIODONTAL MICROSURGERY

The department of periodontics conducted a CDE on 30th september 2016 on periodontal microsurgery by an eminent speaker and renowned periodontist Dr Arun K V. The programme registration started at 8.00 am. There were 76 delegates in and out of the institution including members of the organising committee Program started with a silent prayer. Dr N O Varghese welcomed all the participants, Dr Ambili R Professor Department of periodontics shared words of wisdom with the participants followed by lighting of the lamp.

Dr Preshanthila Janam Director CDE Program addressed the gathering and invited the speaker for his oration. Vote of thanks was delivered by DR RAJESH PILLAI professor department of Conservative Dentistry. Dr Arun K V started the lecture on microsurgery from 10:00 am to 11:00 am followed by a live demonstration on various microsurgical procedures using surgical microscope followed by a break for lunch for 30 minutes

From 1.00 - 5.00 pm Hands-on session and discussion was conducted. During Hands on delegates practised various microsurgical techniques on goat jaw and chicken legs using using surgical loupes and microsurgical instruments. From 4:30 to 5 pm there was a panel discussion where all the delegates cleared their doubts. Programe concluded by 5;00 pm

EXTENSION ACTIVITIES

Various Departments organized many extension and outreach programs through organizations like National Service Scheme. Faculty and students actively participated in television programs and Radio talk shows to create oral health awareness and discuss related social issues. The extension activities enhance the students' academic learning experiences, promote integrity, accountability, inculcate social values and soft skills. They learn to think beyond their individual interests and apply the theoretical knowledge for the benefit of the society. Teamwork, leadership skills, time management, effective communication and decision-making skills are a few things that students learn while participating and organizing various extension activities.

OUT REACH ACTIVITIES

The institution aims to be an outstanding Dental and Research institute of International standards imparting quality education, skills and values to the students. The 100 result achievement for the Post Graduation in all eight specialities in three consecutive years is one of the marked area of institutional excellence. The institution meticulously plans and provides excellent infrastructure and learning resources with the help of highly professional organization structure, for imparting quality education. The regular conduct of Continuing Dental Education Programs and personality development and motivational programs, faculty development programs and teachers training program continuously propels the institution towards achievement of quality education and advanced dental technology. Research culture inculcating is done by giving opportunities and exposure to the students for various conferences and research presentations. Extension services and outreach programs initiated by the institution contributes towards National Health Programs and social commitments which is identified as the mission of the College. Various MOUs initiated by the institution enables wide exposure to the students and patients at international level. The NSS activities, field projects and the regular camps conducted imparts awareness on Dental Science and Oral Health to the Society. A vision oriented growth is achieved by continuous and healthy interactions and feedback appraisal systems, from all the stakeholders like students, parents, alumni, peers etc. Value based education is imparted to the students, which is inculcated in their educational system informally by teachers and the mentors.

Library, ICT and Physical Infrastructure / Instrumentation

The designated committees for library, maintenance and hostel are in place for the development of the institution. The Committee follows the policies and procedures set by the institution for effective deployment of facilities. The library committee meets once in two months for the regular monitoring of the library activities like purchase of journals, books, other library registration process etc. The library committee analyses the feedbacks collected from the students, staff and faculties and forwarded to IQAC for budgeting, finance allotment or quality improvement. The maintenance committee meets weekly for creating a sustained physical environment in the institution, which also entrust the technicians for daily accomplishment of their maintenance chart. A full-fledged IT wing works for the perpetual improvement if ICT facilities, LMS, IMS of the Institution. The institutional engineering department ensures the infrastructure development and contributes over all maintenance of the institution.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

- Emphasis laid on exam oriented practice and training to the students for achieving higher pass percentage.
- 2. Improvisation adopted to strengthen areas in teaching and learning.
- Quarterly internal academic and quality assurance audits conducted in every department on regular basis by IQAC Committee members.
- Implemented need based student training programs for the outgoing students with the most modern technologies in Dentistry apart from the University syllabus; Training in Implantology, Laser Dentistry & Exposures in Comprehensive Clinic.
- Compulsory Vaccination program of students and faculties.
- Extended outreaching programs to enhance Oral Health Care Services to different strata of society.
- Measures taken for the induction of research activities of UG students from 1st year onwards apart from the normal curriculum to build research aptitude.
- Initiated Comprehensive Dental Clinic and to equip with the most modern equipment and state of art facilities in the campus.
- IQAC put forward a new scheme regarding redistribution of organization of Academic Hierarchy under 5 designations; Associate Dean (Academics), Associate Dean (Academics – Clinic), Associate Dean (Student Affairs), Associate Dean (Faculty), Associate Dean (Research) (Student Affairs)
- IQAC initiated the formation of Student Council & Student Support Guidance and Progression for improving student support and progression

MENTORING SYSTEM

The student mentoring system available in the institution provides a parental touch to the students while in the campus. Each mentors are allotted with 10 - 20 students, who continuously monitors, counsel, guides and motivate the mentees in all academic matters. The mentors contacts the parents for academic irregularities, negative behavioral changes, interpersonal relationship issues and other detrimental activities only if circumstances demand. A formal monthly based mentor – mentee interactions is carried out apart from the other informal interactions. The mentors maintain a register for detailing the mentor – mentee activities and the mentoring related issues are reported to the Associate Dean (Academics)with the help of Principal's Office and College Counselor resolves for the welfare of the students. The mentors also reports to the Academic Committee, Student Support and Guidance Cell regarding the special issues which is an initiative of KUHS as a part of student support system.

FEEDBACK

Feedback collection is an integral process at institutional and departmental level for improvisation of curriculum, teaching learning methodologies, research scientific initiatives. infrastructure, patient care and other facilities of the College. Feedback on curriculum is collected in structured format from students, teachers, alumni, speciality experts like examiners and employers which are analyzed by the Academic Committee and new technological innovations in Dentistry are adapted through inter disciplinary courses initiated by the Institution. Faculty teaching evaluation are conducted to attain academic improvisation and excellence. Teacher evaluation feedback are collected formally and informally from students and academic director and evaluated by the Academic Committee and IQAC is also initiating various faculty training programs. Patient feedback on infrastructure and patient care system is collected and suggestions and improvements are implemented at clinical levels in all departments. Feedbacks are collected for various CDE and seminars and scrutinized by the CDE Committee for mending the gap and conducting relevant CDE. Feedbacks are also collected and evaluated from parents, alumni and various other stakeholders for bringing institutional excellence and quality and values in our students:

List of Feedbacks

- 1. Patient feedback
- Student feedback on Teaching Evaluation
- Student Feedback on overall institution
- Student feedback on teacher evaluation

- 5. Student feedback on comprehensive clinic system
- 6. Teacher evaluation (clinic wise)
- 7. Feedback from Interns
- 8. Feedback on finishing school program
- 9. Parents' feedback
- 10. Alumni's feedback The feedback forms are analyzed by the Principals Office which is communicated to the IQAC for the incorporation of corrective measures and thus facilitates overall development of the institution.

ALUMNI

The aim of Alumni meetings are to engage and foster strong lifelong bonds between current batch of students and passed out batch of students. It was an incredible reunion of alumni students coming from India and abroad. It is essential to help the passed—out batches to connect to their own old college institution and rekindle their memories. Feedback from Alumni helps in improving academic processes and infrastructure. Alumni helps the students in placement through their references. Alumni guides by providing assistance to UG students who seek admission in different universities in India abroad. Our 4 college students have successfully cleared NEET examinations this year. Institute is extremely proud to reveal that about 4 students progressed to higher education. About 48 students got placement in professional services and 9 students were self employed as they start their own dental clinics. All these students were congratulated for their great success in their career.

Our College always try to bring the students of marginalised and deprived social strata into the mainstream of higher education.

Analysis Percentage of seats filled against seats reserved for various categories as per applicable reservation policy during the last 5 years.

Continuous Internal Evaluation is an important tool for the academic excellence of an institution. Compulsory formative assessments are conducted for all the batches for student analysis and student monitoring. Apart from this short evaluation, topic discussions are also conducted after every theory hours for continuous assessment of level of understanding of the topic. The monthly test scores are used for classifying the students as minimal learners, moderate learners and advanced learners. The mentors and the respective subject faculties provide need based coaching for the students. The resident tutor attends the minimal learners in the hostel for their academic improvements. As per the University norms, average marks of three internal theory and practical examinations are conducted in the University examination pattern with coding and decoding system and booklet format answer scripts. The examination hall and exam office is equipped with CCTV cameras and mobile jammers, toilets and wash area for fair conduct of the examination. The tentative dates of the Internal Examinations are published and displayed at the beginning of the academic year and in the student hand book. A centralized evaluation system is practiced and result declaration is done within one week of examination. Any grievance is discussed in Academic Committee and issues are addressed. The students who scores adequate internal marks and attendance are only permitted to appear for the University examination. All the scores and the progress are intimated to parents timely. The academic committee thoroughly evaluates the performance level by interacting with the Academic Dean and the mentors. As a preparative phase, the students are allotted with a minimum of two weeks of study leave for the University examinations.

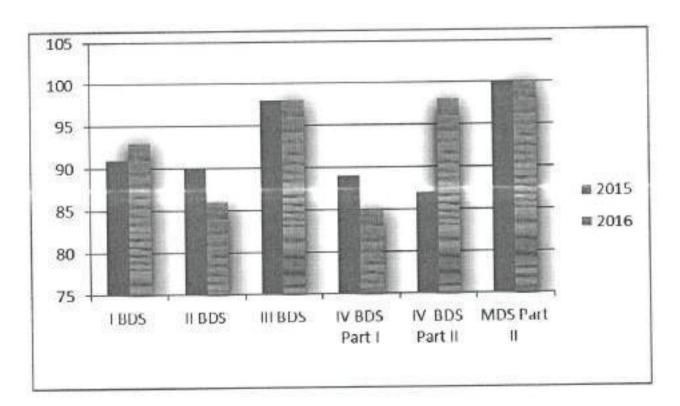

Incremental performance in pass percentage of final year students.

Course	2016	
I BDS	93	
II BDS	86	
III BDS	98	
IV BDS Part I	85	
IV BDS Part II	98	
MDS Part II	100	

During the Academic Year 2015-2016 we had a total intake of 100 students for BDS and 22 students for MDS. The students were selected from the NEET Merit list. On comparison of the percentage of the results in the exams held in August 2015 and August 2016, we obtained a higher pass percentage in all the batches.

FUTURE PLAN OF ACTION FOR NEXT ACADEMIC YEAR

- Implementation of Canadian Dental Education System.
- Procuring advanced infrastructure of International standards.
- Imparting quality and value based dental education.
- Agreement with Pallium India for occupying and conducting palliative activities in the campus.
- End phase construction of swimming pool and modernized gym in the Ladies Hostel Annex 3 building.
- Facilitating more number of social extension activities.
- Enhancement of PG Seats in the Department of Orthodontics, Pedodontics & Oral & Maxillofacial Surgery.

· Channglizing Research Wing.

· Planning to have more assearch projects

To conduct environment audit regularly.

MS COLLEGE OF DENTAL SCIENCE & RESEARCH

COLLEGE PROFILE

PMS College of Dental Science & Research, setup at Thiruvananthapuram is the brain child of NRI services and educational trust established in the year 2002. It is a premier Dental College in Kerala, named after the great visionary, LATE SRI, P. M. SHAHUL HAMEED, father of the Chairman Dr. P.S. Thaha.

College is a venture with a cause of enhancing the state's self-reliance in the field of quality education in Dental Medicine and Surgery and is also the first self-financing dental college in Kerala. The total area of the college is around 2 lakhs sq. ft. situated in 12 acres of land at Vattappara, well connected by road, rail and air. The institution, recognized by the Dental Council of India (DCI) is affiliated to Kerala University of Health Science(KUHS). We take pride in saying that the institution was the first to achieve the ISO 9001-2000 certification award among the Dental institutions in India and the first Dental College in Kerala with NAAC accreditation.

PMS College of Dental Science & Research started with 40 admissions for BDS Course and the number of BDS intake has increased to 100 in the year 2011. We have also started Post Graduation in the year 2010 with 23 admissions and the total seats increased to 36 in 2016.

The College also houses Implantology, Laser Dentistry to give our students the best exposure to the latest trends and innovations in Dentistry. The students and faculty get ample opportunities to associate themselves with several dental programs organized in the college under the guidance of experts from India and abroad.

PMS has added another feather on its cap in 2017 by introducing a new system of education, The Integrated Micro teaching -learning system - "A Canadian system of Micro lecturing" and introduction of CLAB (Class from Integrated with Lab).

On the anvil is a full-fledged Dental College that meets the standards of the most prestigious institutions in and outside India in terms of facilities and faculties.

OUR VISION

To be an outstanding Dental & Research Institute of International repute for producing dental professionals with skills, knowledge and values

OUR MISSION

- Promote sustainable development of Dental and allied Health Education, consistent with statutory and regulatory requirements.
 - Plan and continuously provide excellent infrastructure, learning resources required for quality education and innovations.
 - Stimulate, to extend the frontiers of knowledge, through Faculty Development and Continuing Education Programs.
 - Impart awareness on Dental Science and Oral Health to the society with special reference to Educational Institutions.
 - Make research a significant activity involving Staff, Students and Society.
 - Promote collaborations will Regional National and International Institutions
 - Establish healthy and regular interactions with all stakeholders for vision oriented growth.
 - Fulfill the National Obligation through participation and contribution to National Health Programs.
 - Provide regular value based education to the students.

CHAIRMAN'S MESSAGE

Our vision is to emerge as a pioneer Dental and Research institute of global repute which is known for bringing forth dental professionals with expertise, dedication and social commitment. For that, we have already seized the opportunity to rethink and reposition ourselves through an innovative curriculum, talent mining and strategic alliances.

While moving to the forefront of Dental education, our spotlight falls on inventing novel platforms for knowledge creation and transfer through relentless research.100% student centered learning is already practiced and we encourage the learners to manifest their knowledge and keep raising their benchmarks of performance.

We remain committed to the sustainable development of Dental and allied Health Education. Innovation plays a pivotal role and we aim to continuously and consistently nurture talent providing the best infrastructure as well as learning resources. By our constant engagement and initiatives towards faculty development and interactive learning programs intended to impart awareness and korneledge transfer; we make sure that research becomes a major activity. White providing value based education to students, we also remains socially responsible for participating and gentributing to national health programs.

In short, we make a cry possible step to envision and ensure a bright future for all.

PANTHAMPAYS

MESSAGE FROM PRINCIPAL

Dear Student,

Welcome to the fraternity of PMS College of Dental Science and Research.

Our college strides to bring together students with a specific goal in life and adynamic approach to achieve it.

Our aim is to nurture talents in the field of dentistry on the firm foundations ofglobal competencies and inviolable ethical principles.

We are proud to have you with us and it will be our sincere endeavour to fulfil your learning objectives.

During this course, while we take you through the fascinating world of study of human body, we shall also help you to acquire all skills necessary to make you an excellent professional and a good human being.

This handbook has been designed to enable you to make the best use of all the facilities available at PMS College of Dental Science and Research.

We do hope you will have experience. With best wishes

PERTINENT COLLEGE ACTIVITIES DURING 2017-2018

- A CDE program was organized by Dental Implantology Department titled "An insight into Implantology" and invited faculties were Dr.Jose Paul, Dr.Gunascelan Rajan, Dr.Tarek Frank Hassali, Dr.Arun Kumar V on 06.01.2017.
- Dr.Shaji K Joseph, Member Dental Council of India and President of Kerala State
 Dental Council delivered a talk on Anti Ragging Awareness to Anti Ragging
 Committee members and Anti-Ragging squad members of our College on
 16.02.2017.
- A seminar was organized on 22.02.2017 from 10 AM to 12 PM at A/C auditorium by Department of Orthodontics. Faculty was Dr.Anil Ardeshna, Director, PG – Orthodontics and Research Rutgers University USA
- 4. On March 8th women's day was celebrated at PMS College of Dental Science and Research. A total of 113 participants were present. The program inauguration was by the Chairman ,Dr P S Thaha. The Principal Dr N O Varghese gave the welcome address. The Chief Guest was Acts. Lida Jacob delivered a talk on the topic "Men and women in Equality endowed with the same dignity". The vote of thanks to conclude the program was delivered by Dr Sudeep S Professor ,Department of Prosthodontics.
- 5. On the occasion of World Dentist's Day on 06.03.2017, Dr. Ambili.R gave a live talk on AIR regarding "Changing Perspectives about Dental Treatments".

2

SCIENCE & RESEARCH THIRUVANANTHAPURAM-28

- Dr.Prasanthila Janam won the Best Doctor Award for the year 2016 from Kerala Dental Council and was felicitated during the Women's Day celebrations on 08.03.2017 at 9 AM in the college.
- A CDE Program was organized by Department of Oral Medicine and Radiology on 18.03.2017; faculty was Dr Tatu Joy, Professor and HOD of Sree Mookambika Institute of Dental Sciences, Kulasekharam. Topic was 'Applications of CBCT'.
- A one day CDE Program was organized by Department of Conservative Dentistry on Smile Design on 17.04.2017 by Dr. Arvind Shenoy, Professor, Department of Conservative Dentistry, CODS, Davengere.
- 10. A CDE Program was organized by Department of Microbiology on "Asepsis and Sterilization in Dental Clinics on 03.05.2017, Faculty was Dr.George Skariah, Associate Professor OMFS Government Dental College, Trivandrum.
- 11 On May 31st as part of World No Tobacco Day, PMS Dental College in association with IDA and Indian Railways organized an Oral Cancer Screening and awareness talk in Trivandrum Railway Station associated with poster exhibitions, theme based music and dance.
- 12. A CDE Program on Biostatistics was organized by Department of Public Health Dentistry on 29.06.2017 from 8 AM to 4 PM; Faculty was Dr.Sankara Sarma from John Hopkins University, Battimore, USA.
- 13. Two modules of Teachers Training Programs were organized for the benefit of teaching faculty. First module was conducted on 10.06.2017 and second module was on 01.07.2017 from 9 AM to 12 PM miled "Effective Classroom Management" and

faculty was Dr.Joju John, Professor, and Education Psychology from Mar Theophilus Training College.

- 14. A CDE program by Pedodontics on 'Kick Start Your Pediatric Rotary' was held on 13.07.2017. External faculty was Dr.Rupesh S Associate Professor, Pushpagiri College of Dental Sciences and Dr.Ganesh Jeevanandan, Sr.Lecturer, Saveetha Dental College, Chennai.
- 15. A CDE Program on Forensic Odontology Age Estimation Revisited, was organized by Department of Oral and Maxillofacial Pathology on 31.07.2017. Faculty was Dr.Ashith B Acharya.
- 16. A CDE Program on T.M.J Disorders by Dr.Mohan Kumar, Professor & HOD, Department of Prosthodontics, Dental College, MAHE, State of Pondicherry was the invited faculty on 05.08.2017.
- A workshop on Research Methodology was conducted for first year MDS students (2017-18) on 9th and 10th August 2017. Dr. Krithika Datta and Dr.Jayanthi Varun were the resource persons.
- 18. A CDE program on 'Research in Dentistry, Planning, Designing and Application organized by the Department of Prosthodontics and Oral & Maxillofacial Surgery was held on 18.09.2017 in the A/c Auditorium. Faculty was Dr.Arvind Ramanathan, Balaji Medical and Dental College and Hospital, Chennai.
- 19. Induction Ceremony of 2017-18 BDS Batch was held on 20.09.2017 at Dr.R.Ahmed Central Auditorium. Mr.K.Sudarsanan, Government Special Secretary to Planning and Economic Affairs, Government of Kerala was the Chief Guest.
- 20. Our College signed a MoU with Saveetha Dental College, Chennai as part of that, a team comprising of 5 members from Saveetha Dental College visited our College on 12th and 13th October 2017 as part of initiating steps in implementing microteaching and comprehensive treatment care.

- 21. A CDE program on 'Recent Surgical Modalities in Hard and Soft tissue Augmentation' by the Department of Periodontics on 08.11.2017. Faculty was Dr.Neel Bhatavadekar, Private Practice, Clarus Dental Specialities, Pune.
- 22. Dr.Dilna D S, Dr.Adersh G.A and Dr. Prabhat Raj, 3rd year MDS students in OMFS secured 1st prize in poster presentation in FDI World Dental Federation Conference held in Kochi on 11th and 12th November 2017.
- 23. A CDE program was organized by Administrative Department titled "Photography General and Dental Perspective on 14.11.2017. Faculty was Mr.Kishore Kumar, Director of Trivandrum Institute of Photography.
- 24. A CDE program titled Orofacial Pain, by Dr.Thomas List, Professor & Chairman, Department of Orofacial pain, Director P.G studies was conducted on 06.12.2017 by the Department of Oral Medicine and Radiology.
- Dr.Rajesh Pillai, Professor, Department of Conservative Dentistry featured on the health program on Amritha T V on 26.12.2017 titled Laser Dentistry.
- 26. PMS Dental College started two special schemes for the month of June and July.
 - a) PMS fever clinic in Medical OP and PMS Mansoon scheme, in both schemes basic treatment for the patients was done free of cost.
- 77 College entered into a MOU with Rutgers School of Dental Medicine, New Jersey, USA for Student Exchange Program.
- 28. A CDE program was organized by Dept. of Orthodontics, Faculty was Dr.Puneet Batia, Vice Principal, Professor & HOD, Department of Orthodontics, Institute of Dental Studies and Technologies, Modi Nagar, U.P. Topic was Growth Modulation Strategies for Skeletal Malocclusions.
- 29. PMS College of Dental Science (Korea) muchine which has the largest F.O.V 16.5 x 14.5 and has unique features like low radiation exposures, H.D image, custom implant planning and largest F.O.V for airway studies.

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH THIRUVANANTHAPURAM-28

- Dr.Lekshmi M S, 1st year P G student in Oral Pathology secured 1st prize in Scientific Paper presentation in KUHS National Conference on Students Medical Research 2017.
- 31. Colonel (Dr.) Girish Kumar, Professor, Department of OMFS was selected as Associate Editor of the Journal Plastic Reconstructive Surgery Global open, a Journal of American Society of Plastic Surgeons.
- 32. Our College has signed a two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 from 24.03.2017 to 23.03.2019.
- 33. Our College has also signed a one year Clinical training contract for Academic purpose with St. Johns health Services, Trivandrum from 04.05.2017 to 03.05.2018.
- 34. Our three year MOU CONTRACT for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA IS continued from 14.07.2016 till 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social activities and certificate of attendance will be given.
- 35. Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development is continuing from 04.03.2016 to 03.03.2023.
- 36. Our MOU extension in the form of Engular Student Exchange with University Degli Studi Di Genova Italy is still opening from the year 2015.
- 37. Our five year MOU contract with Broughtx Research Centre for Molecular Biology and Applied Sciences, Valiyavian Thirty ananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.

38. In this academic year 2017-2018, average number of patients treated as out patients are 232338 and inpatients are 1920.

SCIENCE & RESEARCH THIRUVANANTHAPURAM-28

CURRICULUM PLANNING AND IMPLEMENTATION

College is affiliated to Kerala University of Health Sciences (KUHS), Kerala. Hence curriculum design is done by University in accordance with DCI regulations. University adopts a fair means for curriculum designing by incorporating the board of study members from different constituent colleges for the implementation of the best updated curriculum. The institution has Under Graduate & 8 Post Graduate programs. The curriculum delivery and documentation is institutionalized in line with the vision and mission of the College. There exists a well-established organizational hierarchy for the dissemination of curriculum content. The curriculum emphasizes an acquiring adequate knowledge, skills and approach towards Oro-dental infections in interest with national and international oral health requirements. The process of curriculum delivery begins with College council meet to chart out the academic plan and time framework. The Principal of the institution along with the Academic Deans and Directors prepares the Academic Calendar. This is followed by the instructions given to the Academic Committee to prepare appropriate academic schedules. The Associate Dean (Academics) prepares the timetable for each batch and the subjects are allotted to the concerned faculty members on the basis of their time table. Monthly schedules and teaching schedules are prepared by the respective teaching faculty under the guidance of Head of the Departments. The academic schedules are published in the institutional website and student hand book. Theory classes are conducted in didactic method incorporated with various deaching learning activities and ICT facilities for effectively imparting the subject knowledge. Well-equipped laboratories and efficient staff provides expertise in each subjects. Clarical postings and demonstrations enriches the students with adequate clinical exposure. Formative and summative valuations are carried out and the internal examinations are conducted as a requirement of University norms.

Teachers carry out remedial classes and special trainings to improve the student performances.

Continuous assessment system is in place with monthly tests, assignments, seminars and discussions to nurture academic excellence. Institution provides academic flexibility and conducts inter departmental courses like certificate programs in Implant and Laser Dentistry to equip our students with the global need of dentistry. The students are also posted in Comprehensive clinic for more clinical exposure. Clinical clubs and peripheral postings for Post Graduate students deepen the academic excellence. Research culture is imbibed in the students by means of conducting Continuing Dental Education programs and encouraging them for scientific presentations and publications. In order to integrate moral values, ethics and personality development, mentor interaction system is in place. Value added courses, study tours, field visits, community outreach programs enriches the curriculum. Students are encouraged to take up extracurricular activities by forming various clubs & NSS units, for their mental and physical build up. Well-equipped and updated central library augments the academic requirements. Hostel facilities and Resident Lecturers boosts the in-house training system. Alumni & PTA are in place for providing strong support and over all development of students. Feedback system is in place which collects feedbacks from students, faculty members, stake holders, external experts which is analyzed for overall development of the students.

RESEARCH PROMOTION

Institution has definite policy and procedure for research and extension activities. The institutional Scientific Committee and Research Committee contribute for the strategic development of research atmosphere in the institution. The suggestions for the improvements regarding the research and development are discussed in the IQAC for implementation. Budget allocation is done yearly for the upgradation of research facility of the institution. Institutional Ethical Committee over looks the research proposals of students and faculty channelizes the scope of bringing in more research activities to the institution. The Director (CDE) is entrusted with the conduct of maximum number of CDEs for imparting scientific knowledge in the subject. The regular clinical clubs conducted under the supervision of Associate Dean(Research). Research Committee is encouraging the faculty and students for research presentation, publications and attending conferences.

Welfare Measures for Students

Educational assistance to BPL student

2. Dental treatment concession

 Academic and extracurricular achievements are cheered by giving cash awards and certificates during College Day celebration.

- Students Support Guidance & Progression cell looks into overall personal and professional development of the students
- 5. In house medical officer facilitates Medical assistance for the needy.
- Hostel Committee provides adequate facilities for academic as well as physical and mental growth of the students.
- 7. Anti-Ragging Committee ensures safe and carefree campus for the new comers.
- 8 Entertainment in terms of Evening cafeteria initiated for diverse cuisine and refreshment facilities arranged in the campus.
- Travel assistance and facility towards to nearest bus station, railway station, hospital and airport.
- 10. Free Medical OP Consultation facility for students.

GOVERNMENT SCHOLARSHIPS/ e-GRANTS/ INSTITUTIONAL SCHOLARSHIPS/ FEE WAIVERS

Our Institution facilitates those students below the poverty line or can't afford the fees to avail with e Grants and Scholarships from Kerala state Government and Institutional Scholarships. In this academic year about 15 students are benefitted by Government Scholarship and 16 students are benefitted from Non Government/ Institutional Fee Waivers.

Extra Curricular Activities

Our College regularly conduct College Day Celebrations every year and students of the institute actively involved in both sports and cultural activities. During this academic year College Day was celebrated in the name of "SAPTRANG". Hidden talents of students were revealed by performing cultural activities and sports. Felicitations and distribution of certificates were presented to students, faculties and staff of the college for their exemplary performance in different forms. Overall Sport Championship trophy was also handed over to the XANTHRONZ winning team in College day celebrations.

INFRASTRUCTURE

• In this academic year, funds allocated include 10-14 lakhs for construction activities. Swimming pool constructions in LH annex -3 for a cost of 10 lakhs and construction of gymnasium for a cost of rupees 2-3 lakhs. 55-60 lakhs provided for equipment purchase, 35-45 lakhs for procuring library books and computer accessories, 15-17 lakhs for research and development. For extracurricular activities, a sum of rupees 20 lakhs -.25 lakhs is provided for extracurricular activities.

Library, ICT and Physical Infrastructure / Instrumentation

The designated committees for library, maintenance and hostel are in place for the development of the institution. The Committee follows the policies and procedures set by the institution for effective deployment of facilities. The library committee meets once in two months for the regular monitoring of the library activities like purchase of journals, books, other library registration process etc. The library committee analyses the feedbacks collected from the students, staff and faculties and forwarded to IQAC for budgeting, finance allotment or quality improvement. The maintenance committee meets weekly for creating a sustained physical environment in the institution, which also entrust the technicians for daily accomplishment of their maintenance chart. A full-fledged IT wing works for the perpetual improvement if ICT facilities, LMS, IMS of the Institution. The institutional engineering department ensures the infrastructure development and contributes over all maintenance of the institution.

Institution offers various development program for support staffs in focus with overall quality improvement and assistance to the staff. Various welfare measures are adopted for the employees of all strata of the institution. Personality development programs, skill development programs and professional development programs are being initiated in focus with their overall development. Welfare schemes like financial assistance, festival allowance, leave benefits, ESI, EPF, general insurance etc. being provided for overall development of the supporting staff.

DIGITAL INTRAORAL RADIOGRAPHY

REPORT ON THE CONTINUING DENTAL EDUCATION PROGRAM

Reference: Kerala Dental council Ltr no D942/17/DC dtd25.02.2017

Credit points awarded:- 6 points for registered delegates Title of the program: DIGITAL INTRAORAL RADIOGRAPHY

Venue : PMS COLLEGE OF DENTAL SCIENCE & RESEARCH . Vattappara .Trivandrum

Oate: 18th march 2017 Time: Barn to 4pm

Faculty: Dr Tatu Joy KDC Observer: Dr NO Varghese

PROGRAM SCHEDULE

8-9am Inauguration
9- 930am Lecture on Introduction to digital radiography
10.30-10.45am Basic principles of digital image receptors, data
storage & retrival

12:30-1pm Lunch break
1 3pm — Demonstration of image acquisition processing
3-4pm — Discussion and hands on experience on Vista scan

The laculty for the program initially was Dr Ravikiran Ongole , Professor of ORAL MEDICINE & ADDOLOGY , CODS , MANGALORE (as per the broucher). On the 15" of march the speaker informed the organizing committee, regarding his inability to be the faculty of the program due to unforeseen whees in the family . Subsequently Dr Tetu Joy , Professor & HOD of oral medicine , Sreemookambika institute of dental sciences , Kulasekharam , consented to be the faculty for the program and agreed to conduct the CDE program * DIGITAL INTRAORAL RADIOGRAPHY*.

registration of the delegates for the program started at Bam. There were 107 participants for the program which consisted of 94 registered delegates and 13 organising team members. The registered lategates and the organizing team members were instructed to write their name, KDC reg number and their signatures in the registration list. Separate registration list were prepared for the registered delegates and the organizing team members. The program was inaugurated by Dr NO Varghese Principal MS College of dental science & research. Dr Tatu Joy started his fecture as scheduled at 930pm. After 15 minute scheduled tea break the lecture went on till 1pm. As most of the delegates wanted video remonstration to be over before lunch, the program continued till 2pm. Lunch break was given from 3 form. After the lunch break the delegates surreligious apportunity to have hands on experience in using the Vista scan at the Department of Advanced dental sciences between 3 & 4pm. The program

e ded at 4pm.

The institution aims to be an outstanding Dental and Research institute of International standards imparting quality education, skills and values to the students. The 100 result achievement for the Post Graduation in all eight specialities in three consecutive years is one of the marked area of institutional excellence. The institution meticulously plans and provides excellent infrastructure and learning resources with the help of highly professional organization structure, for imparting quality education. The regular conduct of Continuing Dental Education Programs and personality development and motivational programs, faculty development programs and teachers training program continuously propels the institution towards achievement of quality education and advanced dental technology. Research culture inculcating is done by giving opportunities and exposure to the students for various conferences and research presentations. Extension services and outreach programs initiated by the institution contributes towards National Health Programs and social commitments which is identified as the mission of the College Various MOUs initiated by the institution enables wide exposure to the students and patients at international level. The NSS activities, field projects and the regular camps conducted imparts awareness on Dental Science and Oral Health to the Society. A vision oriented growth is achieved by continuous and healthy interactions and feedback appraisal systems, from all the stakeholders like students, parents, alemni, peers etc. Value based education is imparted to the students, which is inculcated in their educational system informally by teachers and the mentors.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC initiated to appoint a Director exclusively for Research Activities to encourage and monitor the research activities of UG, PG students and faculty members. Periodical meetings with staff members are initiated to monitor and ensure the quality of students and department activities.

IQAC initiated to implement small group teaching learning process – Multiple Interactive Learning Algorithm (MILA) – a Canadian Dental Education system to enhance Micro Learning and Micro Teaching which brings individual attention to each students, which creates an effective, enthusiastic teaching learning environment with the introduction of Class Room integrated Lab (CLAB), an innovative teaching learning system which replaced one hour lecture with a new frame work of lectures containing sessions of 20 minutes duration followed by an activity pertaining to the previous lecture. The unique lecture protocol interspersed with activities, improves the cognitive skills of student's retention ability of subjects.

Implemented training programs for the Interns and Post Graduate students with the most modern technologies apart from the training syllabus

Initiated Priority Dental Clinic with concerned Department specialists for prioritized treatment for patients.

MENTORING SYSTEM

The student mentoring system available in the institution provides a parental touch to the students while in the campus. Each mentors are allotted with 10 - 20 students, who continuously monitors, counsel, guides and motivate the mentees in all academic matters. The mentors contacts the parents for academic irregularities, negative behavioral changes, interpersonal relationship issues and other detrimental activities only if circumstances demand. A formal monthly based mentor – mentee interactions is carried out apart from the other informal interactions. The mentors maintain a register for detailing the mentor – mentee activities and the mentoring related issues are reported to the Associate Dean (Academics)with the help of Principal's Office and College Counselor resolves for the welfare of the students. The mentors also reports to the Academic Committee, Student Support and Guidance Cell regarding the special issues which is an initiative of KUHS as a part of student support system.

FEEDBACK

Feedback collection is an integral process at institutional and departmental level for improvisation of curriculum, teaching learning methodologies, research scientific initiatives, infrastructure, patient care and other facilities of the College. Feedback on curriculum is collected in structured format from students, teachers, alumni, speciality experts like examiners and employers which are analyzed by the Academic Committee and new technological innovations in Dentistry are adapted through inter disciplinary courses initiated by the Institution. Faculty teaching evaluation are conducted to attain academic improvisation and excellence. Teacher evaluation feedback are collected formally and informally from students and academic director and evaluated by the Academic Committee and IQAC is also initiating various faculty training programs. Patient feedback on infrastructure and patient care system is collected and suggestions and improvements are implemented at clinical levels in all departments. Feedbacks are collected for various CDE and seminars and scrutinized by the CDE Committee for mending the gap and conducting relevant CDE. Feedbacks are also collected and evaluated from parents, alumni and various other stakeholders for bringing sustitution excellence and quality and values in our students.

List of Feedbacks

- 1. Patient feedback
- 2. Student feedback on Teaching Evaluation
- 3. Student Feedback on overall institution
- 4. Student feedback on teacher evaluation

- 5. Student feedback on comprehensive clinic system
- 6. Teacher evaluation (clinic wise)
- 7. Feedback from Interns
- 8. Feedback on finishing school program
- 9. Parents' feedback
- 10. Alumni's feedback The feedback forms are analyzed by the Principals Office which is communicated to the IQAC for the incorporation of corrective measures and thus facilitates overall development of the institution.

ALUMNI

The aim of Alumni meetings are to engage and foster strong lifelong bonds between current batch of students and passed out batch of students. It was an incredible reunion of alumni students coming from India and abroad. It is essential to help the passed out batches to connect to their own old college institution and rekindle their memories. Feedback from Alumni helps in improving academic processes and infrastructure. Alumni helps the students in placement through their references. Alumni guides by providing assistance to UG students who seek admission in different universities in India abroad. Our 18 college students have successfully cleared NEET examinations this year. Our Institute is extremely proud to announce that Dr.Angel Mary have successfully cleared Civil Services Examination this year. 19 students progressed to higher education in different college institutions all over India and Abroad. About 48 students got placement in professional captures and 7 students were self employed as they start their own dental charts all these students were congratulated for their great success in their career.

Continuous Internal Evaluation is an important tool for the academic excellence of an institution. Compulsory formative assessments are conducted for all the batches for student analysis and student monitoring. Apart from this short evaluation, topic discussions are also conducted after every theory hours for continuous assessment of level of understanding of the topic. The monthly test scores are used for classifying the students as slow learners, mediocre learners and advanced learners. The mentors and the respective subject faculties provide need based coaching for the students. The resident tutor attends the slow learners in the hostel for their academic improvements. As per the University norms, average marks of three internal theory and practical examinations are conducted in the University examination pattern with coding and decoding system and booklet format answer scripts. The examination hall and office is equipped with CCTV cameras and mobile jammers, toilets and wash area for fair conduct of the examination. The tentative dates of the Internal Examinations are published and displayed at the beginning of the academic year and in the student hand book. A centralized evaluation system is practiced and result declaration is done within one week of examination. Any grievance is discussed in Academic Committee and issues are addressed. The students who scores adequate internal marks and attendance are only permitted to appear for the University examination. All the scores and the progress are intimated to parents timely. The academic committee thoroughly evaluates the performance level by interacting with the Academic Dean and the mentors. As a preparative phase, the students are allotted with a minimum of two weeks of study leave for the University examinations.

Incremental performance in pass percentage of final year students.

- · Renovation of clinics

PMS COLLEGE OF DENTAL SCIENCES AND RESEARCH,

ANNUAL REPORT 2018-2019

GOLDEN HILLS, VENCODE P.O, VATTAPARA, THIRUVANANTHAPURAM- 695028

COLLEGE PROFILE

PMS College of Dental Science & Research, setup at Thiruvananthapuram is the brain child of NRI services and educational trust established in the year 2002. It is a premier Dental College in Kerala, named after the great visionary, LATE SRI, P. M. SHAHUL HAMEED, father of the Chairman Dr. P.S. Thaha.

College is a venture with a cause of enhancing the state's self-reliance in the field of quality education in Dental Medicine and Surgery and is also the first self-financing dental college in Kerala. The total area of the college is around 2 lakhs sq. ft. situated in 12 acres of land at Vattappara, well connected by road, rail and air. The institution, recognized by the Dental Council of India (DCI) is affiliated to Kerala University of Health Science(KUHS). We take pride in saying that the institution was the first to achieve the ISO 9001-2000 certification award among the Dental Institutions in India and the first Dental College in Kerala with NAAC accreditation.

PMS College of Dental Science & Research started with 40 admissions for BDS Course and the number of BDS intake has increased to 100 in the year 2011. We have also started Post Graduation in the year 2010 with 23 admissions and the total seats increased to 36 in 2016. The College also houses Implantology, Laser Dentistry to give our students the best exposure to the latest trends and innovations in Dentistry. The students and faculty get ample opportunities to associate themselves with several dental programs organized in the college under the guidance of experts from India and abroad.

PMS has added another feather on its cap in 2017 by introducing a new system of education. The Integrated Micro teaching -learning system - "A Canadian system of Micro lecturing" and introduction of CLAB (Class room Integrated with Lab).

On the anvil is a full-fledged Dental College that meets the standards of the most prestigious institutions in and outside India in terms of facilities and faculties.

OUR VISION

To be an outstanding Dental & Research Institute of International repute for producing dental professionals with skills, knowledge and values

OUR MISSION

- Promote sustainable development of Dental and allied Health Education, consistent with statutory and regulatory requirements.
 - Plan and continuously provide excellent infrastructure, learning resources required for quality education and innovations.
 - Stimulate, to extend the frontiers of knowledge, through Faculty Development and Continuing Education Programs.
 - Impart awareness on Dental Science and Oral Health to the society with special reference to Educational Institutions.
 - Make research a significant activity involving Staff, Students and Society.
 - Promote collaborations with Regional, National and International Institutions
 - Establish healthy and regular interactions with all stakeholders for avision oriented growth.
 - Fulfill the National Obligation through participation and contribution to National Health Programs.
 - Provide regular value based education to the students.

CHAIRMAN'S MESSAGE

Our vision is to emerge as a pioneer Dental and Research institute of global repute which is known for bringing forth dental professionals with expertise, dedication and social commitment. For that, we have already seized the opportunity to rethink and reposition ourselves through an innovative curriculum, talent mining and strategic alliances.

While moving to the forefront of Dental education, our spotlight falls on inventing novel platforms for knowledge creation and transfer through relentless research.100% student centered learning is already practiced and we encourage the learners to manifest their knowledge and keep raising their benchmarks of performance.

We remain committed to the sustainable development of Dental and allied Health Education. Innovation plays a pivotal role and we aim to continuously and consistently nurture talent providing the best infrastructure as well as learning resources. By our constant engagement and initiatives towards faculty development and interactive learning programs intended to impart awareness and knowledge transfer; we make sure that research becomes a major activity. While providing value based education to students, we also remains socially responsible for participating and contributing to national health programs.

In short, we make every possible step to envision and ensure a bright future for all.

PUT HOLD WESERBOH BUT HOLD WESERBOH BUT HOLD WESER OF DENTAL BENCHALL

Dr. P.S. Thaha

Chairman

MESSAGE FROM PRINCIPAL

Dear Student,

Welcome to the fraternity of PMS College of Dental Science and Research,

Our college strides to bring together students with a specific goal in life and adynamic approach to achieve it.

Our aim is to nurture talents in the field of dentistry on the firm foundations of global competencies and inviolable ethical principles.

We are proud to have you with us and it will be our sincere endeavour to fulfil your learning objectives.

During this course, while we take you through the fascinating world of study of human body, we shall also help you to acquire all skills necessary to make you an excellent professional and a good human being.

This handbook has been designed to enable you to make the best use of all the facilities available at PMS College of Dental Science and Research.

We do hope you will have a meaningful learning experience. With best wishes,

PRINCIPAL

NOTEWORTHY COLLEGE ACTIVITIES DURING 2018

- A CDE program on "All on 4 implants Treatment Concept" was organized by Department of Prosthodontics was held on 09.01.2018. Dr.Gunaseelan Rajan, Oral & Maxillofacial Surgeon from Rajans Dental Clinic Chennai was the speaker.
- Students Support Guidance Program organized a talk on Anti-Ragging Awareness by Mr. Mohammed Shafi Deputy Superintendent of Police, Intelligence on 12.01,2018 in A/c Auditorium.
- A talk on "Over dentures" by Dr. Spyridon Xynogalas and Dr.Manasee Joshi from New York University was organized on 19.01.2018 in Dr.R.Ahamed Central Auditorium.
- Our College entered into a MOU with Pallium India to provide Palliative Care of Patients in our Campus.
- A Talk on CBCT by Dr. Rema T, Professor & HOD, Dept. of Oral Medicine, Al-Azhar Dental College Thodupuzha was organized by Dept. of Oral Medicine & Radiology on 07.12.2018 in the A/c Auditorium.
- A CDE program on "Evolutionary Saga of Orthognathia a didactic from the pioneer" was organized by Dept. of OMFS on 08.02.2018 in the A/c Auditorium. Dr. Varghese Mani was the resource person.
- 7. World Cancer Day was observed on 04.02.2018. An awareness and demonstration program program on Rehabilitation with Maxillofacial prosthesis was organized for OP patients and bystanders by the Department of Prosthodortics HIEUVANANTHAPURAM-28

- A talk on "MIMI" was organized by Department of Advanced Dental Sciences by Prof Dr. Jean Pierre Bernard and Dr. Armin Nedjat on 12.02.2018 in Dr.R.Ahamed Central Auditorium.
- A Clinical talk by Dr. Anil Ardeshna, P G Program Director Rutgers School of Dental Medicine, New Jersey, was scheduled on 19.02.2018 at 1.30 pm in the A/c Auditorium.
- 10. March 8th women's day celebrations were conducted at PMS College of Dental Science and Research. A total of 108 participants attended the program. The inauguration was done by the Chairman Dr P S Thaha. The Principal Dr N O Varghese gave the welcome address. The Chief Guest for the day, Capt. Dr. Rohini Nair gave a talk on the topic "Gender equality is a human fight not a female right." Dr Presanthila Janam, Professor Department of Periodontology concluded the program with a vote of thanks
- 11. A CDE program on Dental Cone Beam computed Tomography Lecture and Hands on CDE was organized by Department of Oral Medicine and Radiology on 24.03.2018. Speakers were Dr.Neha Khambete, Director Dentoscan 3D CBCT, Hiranandani Estate Thane was the resource person for the day.
- 12. A CDE program on 'Anatomical Perspectives to Diagnose Pain at Oral & Para-oral Structures by the Department of Anatomy was held on 28.04.2018. Dr.Manoj.A Assistant Professor Dept.of Anatomy Govt. Medical College Thrissur and Dr.Siraj Ahamed, Dept. of Anatomy PMS College of Dental Science & Research were the resource persons.
- pm in Dr.R. Ahamed Central Auditorium, Shri Kadakampally Surendrant Minister for Co-operation, Tourism and Devaswom was the chief Guest & RESEARCH THORUSANA STHAPURAM. 28

- 14. A CDE program on "Digital Smile Design" was jointly organized by Dept. of Conservative Dentistry, Orthodontics and Prosthodontics it was held on 14.05.2018 in the A/e Auditorium. Dr. Jangala Hari Prosthodontist and Implantologist from Hyderabad was the keynote speaker.
- 15. College observed 31.05.2018 as World No Tobacco Day along with Metro Manorama and Bharat Scouts and Guides, Kerala State jointly at The Institute of Engineers Hall Trivandrum.
- 16. World Environment day was observed on 05.06.2018. The College authorities commemorated the occasion to simulate Miyawaki forest by planting 130 different species of tree saplings in the College Campus.
- 17. A CDE program on the changing Face in Dentistry was organized by Dept. of Public Health Dentistry on 18.06.2018 in the A/c Auditorium. Speaker was Dr. C. Jagadeesh founder and Managing Director of Dr. C. Jagadeesh'S Dental Clinic, Bangalore.
- 18. The Induction ceremony of the MDS students 2018-19 Batch was held on 20.06.2018 in Dr. R. Ahamed Central Auditorium, Shri T P Sreenivasan IFS was the Chief Guest and Shri Alexander Jacob IPS the guest of honour.
- 19. A Workshop on Research Methodology was conducted for First Year MDS Students on 18th & 19th July 2018. Dr. Krithika Datta and Dr.Jayanthi P were the speakers of the program.
- 20. First year PG students of Oral Pathology Dr. Anjana Menon and Dr. Greeshma L R won the best scientific poster award in the National P.G convention of Indian Association of Oral and Maxillofacial Pathologists held at Chennai on 7th & 8th July 2018.
- 21. A CDE program was organized by Department of Pedodontics titled Wait N Watch or Nip in the Bud on 20th and 21st July 2018 in the A/c Auditorium. Dr. V. Rathna Prabhu, Senior Pedodontist from Kanchi Kamakoti and Dr. R. Rajesh Professor &

MS COLLEGE OF DENTAL

HOD Pedodontics, Indira Gandhi Institute of Dental Sciences, Kothamangalam were the invited speakers.

- 22. A CDE program on Basic Life Support was organized by Dept. of OMFS on 30th & 31st August 2018 in the A/c Auditorium Dr. Ommen Aju Jacob Professor & Principal Pushpagiri College of Dental Science, Thriruvalla and Dr. Girish Kumar, Professor Dept. of OMFS, PMS College of Dental Sciences & Research were the resource persons. All the first year PG students attended the program.
- A personality development program for all Non-Teaching staff was held by Dr. Sicily Thompson on 12th September 2018 and 14th September 2018.
- 24. College signed a memorandum of Understanding with the Santhigiri Ashramam Pothencode agreeing to provide the various dental treatment facilities at discounted rates to the member of the Ashramam PMS – Santhigiri Health Card will carry 30% concession on all general Dental and Medical treatment.
- 25. A CDE program on Perio Implant Synergy was organized by Society of Periodontist and Implantologists of Kerala (SPIK) and Dept. of Periodontics PMS College of Dental Science & Research, it was held on 17.09.2018 in the A/c Auditorium Dr. R Viswa Chandra and Dr. Sathyanarayana D were the resource persons.
- 26. Induction ceremony of 2018 BDS Batch was conducted on 26.09.2018 in Dr.R.Ahamed Central Auditorium. The Chief Guest of the program was Shri V Sasi Deputy Speaker of Kerala; Guest of Honour was Shri S Gopinath IPS Retired Inspector General of Police.
- 27. As part of implementing micro teaching education system an orientation training program on teaching methodology was organized for Teaching faculty Dr. V. Vishnu Priya and Dr. R.V.Geetha, faculty of Saveetha Dental College were the special invitees.

- PMS College of Dental Science & Research hosted 2nd Midterm Conference and PG Convention of Indian Prosthodontics Society Kerala State Chapter on 13.10.2018 in Dr. R. Ahamed Central Auditorium.
- 29. A Skill Development program for all PG Students and Interns on How to write a scientific article by Dr. Babu Mathew, Director Research PMS College of Dental Science & Research was organized on 24.10.2018 in the A/c Auditorium.
- 30. A two day comprehensive hands on workshop on Surgical Orthodontics was organized by the Department of Orthodontics and Dentofacial Orthopedics on 29.10.2018 & 30.10.2018 in the A/c Auditorium, Dr. P. Janardhanam, Professor Dept. of Orthodontics, Sibar Dental College and Dr. Ratna Padmanabhan Professor Meenakshi Ammal Dental College served as the resource persons.
- 31. A Breast Cancer screening was arranged in the Medical O.P for our College faculty on 03.11.2018. Dr. Meera Wough and Dr. M.C.Kalavathy, Asst. Professors Regional Cancer Centre, Trivandrum did the Physical Examination.
- Dr. Vishnu J S, Senior Lecturer Dept. of Advanced Dental Sciences featured on a live talk show Dr. at 2.00 pm on 03.10.2018 on Mathrubhoomi Channel.
- 33. Month of October was observed as "The Pink Ribbon Month". Pink Ribbon Month observance in Trivandrum district jointly conducted by the cancer control Foundation of India, Swasthi Foundation and Metro Manorama was held in our College auditorium on 03.11.2018, Dr. Rekha A Nair, Director Regional Cancer Centre inaugurated the program.
- 34. A Sensitization talk on "Introduction to Palliative Care and its Domains" by Padma Shri Dr. M. R Rajagopal was conducted on 07.11.02018 at Dr.R.Ahammed Central Auditorium.
- 35. A Lecture on "Comprehensive Treatment Planning System: Rutgers Model" by Dr.

 Geena, D. Padayathil Assistant Professor Department of Diagnostic Sciences & PRINCIPAL

 PMS COLLEGE OF DENTAL

 SCIENCE & RESEARCH

- Treatment planning, Rutgers school of Dental Medicine, New Jersey USA, was organized on 27.12.2018 in the A/c Auditorium.
- 36. Dr. Swetha Radhakrishnan, 2nd year P G Student Department of Periodontics, and Dr.Freeda Mary S 1st year P G Dept.of Oral Pathology won the best paper award in the KUHS 12th National Conference on students Medical Research (NATCON) 2018.
- 37. Formal inauguration of Pallium India's new facility was scheduled on 21.11.2018 in the campus of PMS Dental College. The Chief Guest for the occasion was Shri.Kadakampally Surendran, Minister for Co-operation, Tourism and Devaswom.
- 38. The Annual College day was celebrated on Thursday 20.12.2018, sports fest on 14th & 15th December and Cultural fest was conducted on 17th & 18th December 2018.
- 39. Dr. Vinod Nair, Senior Lecturer, Dept. of OMFS won the International Dental Excellence Award 2018 in the category of excellence in Oral Surgery Ward ad also for "Most Proactive PG student of the year 2017-18 from messrs Guident.
- Shri Arun Kumar, Circle Inspector of Police, Crime Branch delivered a talk on Anti-Ragging Awareness, on 20.12.2018 at 2.30 pm.
- Sri Sajith. T, Excise Inspector and Sri. Anil Kumar Preventive Officer Nedumangad Circle delivered a talk on Anti-Narcotic Awareness on 28.12.2018 at Dr.R.Ahammed Central Auditorium.
- 42. Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- 43. Our College has started a four year collaborative Academic and Research linkage with Pallium India. Trivandrum from 10.01.2018 to 31.10.2022.
- 44. Our College also had a linkage for providing Clinical services at subsidised rates with Santhigiri Ashram, Santhigiri, Pothencode, Thirtyanatithapuram, Carata Thirtyanatithapuram, Carata Thirtyanatithapuram, Carata

- 45. Our College also started a Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojapura, Thycaud, Thiruvananthapuram, Kerala and Kottakal Arya Vaidyasala for conducting clinical trials from 23.02.2018.
- 46. Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 is continuing from 24.03.2017 to 23.03.2019.
- 47. Our three year MOU CONTRACT for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA IS continued from 14.07.2016 till 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social activities and certificate of attendance will be given.
- 48. Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development is continuing from 04.03.2016 to 03.03.2023

- 50. Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.
- 51. In this academic year 2018-2019, average number of patients treated as out patients are 258529 and inpatients are 3417.

CURRICULUM PLANNING AND IMPLEMENTATION

Institution follows the curriculum framed by KUHS, as per the DCI regulations. The institution offers one undergraduate program and eight Post Graduate Programs. A well planned and channelized curriculum delivery is in place under the supervision of the Principal and various Associate Deans. The Associate Dean overseas the academic schedule preparation, teaching schedule of each batch for effective curriculum delivery. Institution ensures adequate clinical exposure in the field on advanced dentistry apart from the existing curriculum by imparting value added courses in the areas of Laser Dentistry, Implant

Dentistry, CBCT & Forensic Odontology under the guidance of specialized faculty. Regular formative and summative evaluations are carried out apart from the regular monthly tests, assignments, seminars and discussion to strengthen academic potential of the students. The NSS units and various clubs and committees strengthen the social responsibility which enriches the curriculum.

As a part of achieving the vision based goal of imparting quality education of International standards, a system of Student Centric Method exists in the institution. This system enables small group teaching – learning environment to extend more individual attention to the students. It encourages effective and enthusiastic learning environment by providing class room integrated laboratory (CLAB) system and replaces the monotony of hour based didactic system with a framework of short duration lecture sessions and a topic based activity to improve the cognitive skills of the students and also enhances the topic retention ability to the students. The Principal's office and the Associate Dean (Academics & Clinics) ensure thorough documentation process and conducts timely internal audits for the same. The consistent feedback collection and analysis ensures overall improvement of the institution.

STAFF PUBLICATIONS 2018

The Institute promotes research and publication and this is performed under the guidance of Scientific Committee. Our College Faculties enthusiastically publish their research works in Peer Reviewed journals. During this academic year, faculties published several International publications and National publications in Peer Reviewed Journals.

46	DR ADERSH G A	2018	KERALA STATE GOVT	RECOGNITION FOR 2018 KERALA STARTUP UTILISATION OF 3D PRINTING TECHNOLOGY IN MAXILLOFACIAL SURGERY MISSION FOR SUIENCE & RESE	DENTAL

RESEARCH PROMOTION

Institution has definite policy and procedure for research and extension activities. The institutional Scientific Committee and Research Committee contribute for the strategic development of research atmosphere in the institution. The suggestions for the improvements regarding the research and development are discussed in the IQAC for implementation. Budget allocation is done yearly for the upgradation of research facility of the institution. Institutional Ethical Committee over looks the research proposals of students and faculty channelizes the scope of bringing in more research activities to the institution. The Director (CDE) is entrusted with the conduct of maximum number of CDEs for imparting scientific knowledge in the subject. The regular clinical clubs conducted under the supervision of Associate Dean(Research). Research Committee is encouraging the faculty and students for research presentation, publications and attending conferences.

MOU/LINKAGES/COLLABORATION WITH INSTITUTIONS/ INDUSTRIES IN INDIA/ ABROAD DURING THE YEAR 2018

- Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- Our College has started a four year collaborative Academic and Research linkage with Pallium India, Trivandrum from 10.01.2018 to 31.10.2022.
- Our College also had a linkage for providing Clinical services at subsidised rates with Santhigiri Ashram, Santhigiri, Pothencode, Thiruvananthapuram, Kerala.
- Our College also started a Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojapura, Thycaud, Thiruvananthapuram, Kerala and Kottakal Arya Vaidyasala for conducting clinical trials from 23.02.2018.
- Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 is continuing from 24.03.2017 to 23.03.2019.
- 6. Our three year MOU CONTRACT for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA IS continued from 14.07.2016 till 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social principal activities and certificate of attendance will be given.
 PMS COLLEGE OF DENTAL
 PMS COLLEGE OF DENTAL
 SCIENCE & RESEARCH
- Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty

training programme as a part of educational and professional development is continuing from 04.03.2016 to 03.03.2023

- Our MOU extension in the form of Faculty/Student Exchange with University Degli
 Studi Di Genova Italy is still ongoing from the year 2015.
- Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.

GOVERNMENT SCHOLARSHIPS/ e-GRANTS/ INSTITUTIONAL SCHOLARSHIPS/ FEE WAIVERS

Our Institution facilitates those students below the poverty line or can't afford the fees to avail with e Grants and Scholarships from Kerala state Government and Institutional Scholarships. In this academic year about 18 students are benefitted by e-Grants from Government, 42 students by merit-cum Scholarships, 1 Prime minister Scholarship, 1 Central Scheme of Scholarship, I Post metric Scholarship Scheme and 21 students are benefitted from Non Government/ Institutional Fee Waivers /Institutional Freeship.

Institution offers various development program for support staffs in focus with overall quality improvement and assistance to the staff. Various welfare measures are adopted for the employees of all strata of the institution. Personality development programs, skill development programs and professional development programs are being initiated in focus with their overall development. Welfare schemes like financial assistance, festival allowance, leave benefits, ESI, EPF, general insurance etc. being provided for overall development of the supporting staff.

WORKSHOPS CONDUCTED DURING YEAR 2018

Year	Name of the workshop/ seminar	Date: From - To
2018	All on Four Implant- Treatment concept	09.01.2018
2018	Evolutionary Saga Of Orthognathia- A Didactic From The Pioneer	08.02.2018
2018	Challenges and Innovations in orthodontics	19-02-2018-20-02-2018
2018	Dental cone Beam computed tomography [CBCT] lectures and hands on	24.03.2018
2018	Anatomical Perspective to Diagnose Pain at oral and paraoral structures	28.04.2018
2018	Digital smile design	14.05.2018
2018	The changing tace of dentisery	GE OF DE 8706.2018
2018		18:07.2018-19,07.2018
2018	Wait and watch or nip in the bud	20.07.2018-21.07.2018

2018	Basic life support	30.08.2018-31.08.2018
2018	Perio implant synergy	17.09.2018
2018	How To Write A Scientific Article	24-10-2018
2018	Surgical orthodontics	29.10.2018 - 30.10.2018
2018	Fabrication challenge Crowns Bridges crown bridges and implants	28.12.2018 -29.12.2018

ALL ON FOUR IMPLANT- TREATMENT CONCEPT

The Dept. Of Prosthodontics and , PMSCODR conducted a CDE program "All On Four Implant-Treatment Concept" on 9th January 2018 .Dr Gunaseelan Rajan ,an accomplished maxillofacial surgeon and implantologist was the orator for the programme.

The CDE program was well attended by 45 delegates including organizing committee. The registration started at 8.00 am in the morning. The inauguration started at 9.00 am. Dr Sudeep S welcomed all the participants, followed by lighting of the lamp.

Dr Preshanthila Janam Director CDE Program addressed the gathering and invited the speaker for his oration. Vote of thanks was delivered by Dr Rajesh Pillai professor department of Conservative Dentistry

A series of lectures were delivered from 9.30 am till 3.00 pm with a short lunch break at 12.30 pm.

There was an interactive session for the delegates to clear their doubts from 3.00pm to 4.00 pm.

Programme concluded by 4.00 pm

Dr N O Varghese Principal, PMS Dental College

The institution strictly abides by the institutional policies and procedures for the maintenance of the physical, academic and support facilities. This enable the institution to propel its quality to a higher level. Different committees are involved in overall supervision of the maintenance of different strata of the institution. Institution emphasis in renewable energy sources like the biogas plant, sewage treatment plants, rainwater harvest system, solar lights (automatic lights) etc. Other facilities like 200KVA per supply backup, diesel generating sets, water purifying plants, fire extinguishers, water coolers, sports and recreational facilities, auditoriums, prayer halls, canteen facilities are available as major physical and recreational facilities in the institution. Different Maintenance Supervisors conducts regular supervision of these facilities and reports are maintained for its service and usages. The library committee and academic committee along with IQAC overlooks different follow ups of policies procedures regarding support facilities like laboratory, library, sports complex, IT and classrooms its maintenance and updations. The IT wing actively supports the updation of IT facility, biometric system and other software upgradation and implementation.

- In focus with inculcating research aptitude among the undergraduate students, paper and
 poster presentation was encouraged for all batches of students under the guidance of the
 faculty members. The best paper and poster presented was awarded and was presented in
 50th IDA conference held at Cochin, Kerala in the year 2017.
- 2. As a part of providing the best patient care facility in the institution, a Priority Clinic was established which provides FastTrack treatment facility, all speciality treatments are done by concerned specialists in one place and advanced dental treatments with direct appointment. This practice reduced the patient waiting time and patient grievances.
- 3. As a part of career guidance and advanced technology exposure, an advanced dental training in CBCT is given to all post graduate students and interns. This is continued for all the batches, which makes our student outstanding in the field of dentistry.
- 4. Regular and timely conduct of the Continuing Dental Education Programs in the institution which enhances the students' and staff's exposure to advances in dental sciences.
 The CDE Director plans and coordinates all the activities for maximum CDEs in an year.
- Oral Health Museum and Health Education models exhibited in the College premises imparts awareness and knowledge regarding Oral health to its stakeholders.
- 6.State level Inter Dental Sports meets organized every year for providing platform for building up extracurricular activities.
- 7. Organic farming is employed in the campus which promotes the green campus culture among its stake holders.

 PRINCIPAL

 PMS COLLEGE OF DENTAL
- 8. In concern with the promotion of research possibilities and guidance a possibilities and guidance a possibilities and guidance to the various research projects and also channelize various linkages, MOUs with research organizations and

initiates extension and outreach programs for the benefit of the students and faculty research.

- Evening cafeteria and entertainment zone is provided in the campus for the student relaxation and recreation.
- 10. A travel help desk is functional for the ticket and accommodation booking for the students and staff. 11. Financial assistance and scholarships are being given to the needy students by considering the annual income, family background and academic merit as a support system of the institution.

MENTORING SYSTEM

The student mentoring system available in the institution provides a parental touch to the students while in the campus. Each mentors are allotted with 10 - 20 students, who continuously monitors, counsel, guides and motivate the mentees in all academic matters. The mentors contacts the parents for academic irregularities, negative behavioral changes, interpersonal relationship issues and other detrimental activities only if circumstances demand. A formal monthly based mentor – mentee interactions is carried out apart from the other informal interactions. The mentors maintain a register for detailing the mentor – mentee activities and the mentoring related issues are reported to the Associate Dean (Academics)with the help of Principal's Office and College Counselor resolves for the welfare of the students. The mentors also reports to the Academic Committee, Student Support and Guidance Cell regarding the special issues which is an initiative of KUHS as a part of student support system.

The institution aims to be an outstanding Dental and Research institute of International standards imparting quality education, skills and values to the students. The 100 result achievement for the Post Graduation in all eight specialities in three consecutive years is one of the marked area of institutional excellence. The institution meticulously plans and provides excellent infrastructure and learning resources with the help of highly professional organization structure, for imparting quality education. The regular conduct of Continuing Dental Education Programs and personality development and motivational programs, faculty development programs and teachers training program continuously propels the institution towards achievement of quality education and advanced dental technology. Research culture inculcating is done by giving opportunities and exposure to the students for various conferences and research presentations. Extension services and outreach programs initiated by the institution contributes towards National Health Programs and social commitments which is identified as the mission of the College. Various MOUs initiated by the institution enables wide exposure to the students and patients at international level. The NSS activities, field projects and the regular camps conducted imparts awareness on Dental Science and Oral Health to the Society. A vision oriented growth is achieved by continuous and healthy interactions and feedback appraisal systems, from all the stakeholders like students, parents, alumni, peers etc. Value based education is imparted to the students, which is inculcated in their educational system informally bysteachers and the mentors.

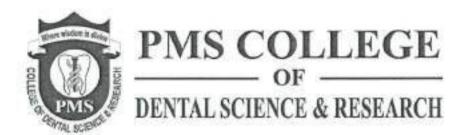

Library, ICT and Physical Infrastructure / Instrumentation

The designated committees for library, maintenance and hostel are in place for the development of the institution. The Committee follows the policies and procedures set by the institution for effective deployment of facilities. The library committee meets once in two months for the regular monitoring of the library activities like purchase of journals, books, other library registration process etc. The library committee analyses the feedbacks collected from the students, staff and faculties and forwarded to IQAC for budgeting, finance allotment or quality improvement. The maintenance committee meets weekly for creating a sustained physical environment in the institution, which also entrust the technicians for daily accomplishment of their maintenance chart. A full-fledged IT wing works for the perpetual improvement if ICT facilities, LMS, IMS of the Institution. The institutional engineering department ensures the infrastructure development and contributes over all maintenance of the institution.

Student Council Activities during the Year 2018-2019

Student council plays a pivotal role in promoting student activities, revealing the hidden talents of students, improving quality of student's life and to foster a good rapport with the students. Student council represents the student's voice, also acts as a mediator to share student's ideas, interests and concerns with faculties. Student council members identifies activities that would like to be involved in a particular year along with the provisional dates. This year as per the arrangements made by the student council, our College conducted College Day Celebration and students of the Institute actively participated in both sports and cultural activities. During this academic year, College Day was celebrated in the name of "SANSKRITI". Hidden talents of students were revealed by performing cultural activities and sports. Felicitations and distribution of certificates were presented to students, faculties and staff of the college for their exemplary performance in different forms. Overall Sport Championship trophy was also handed over to the winning team "XANTHRONZ" in College day celebrations.

INTERNAL QUALITY ASSURANCE CELL (IOAC)

IQAC initiated to appoint a Director exclusively for Research Activities to encourage and monitor the research activities of UG, PG students and faculty members. Periodical meetings with staff members are initiated to monitor and ensure the quality of students and department activities.

IQAC initiated to implement small group teaching learning process – Multiple Interactive Learning Algorithm (MILA) – a Canadian Dental Education system to enhance Micro Learning and Micro Teaching which brings individual attention to each students, which creates an effective, enthusiastic teaching learning environment with the introduction of Class Room integrated Lab (CLAB), an innovative teaching learning system which replaced one hour lecture with a new frame work of lectures containing sessions of 20 minutes duration followed by an activity pertaining to the previous lecture. The unique lecture protocol interspersed with activities, improves the cognitive skills of student's retention ability of subjects.

Implemented training programs for the Interns and Post Graduate students with the most modern technologies apart from the University syllabus

Initiated Priority Dental Clinic with concerned Department specialists for prioritized treatment for patients.

FEEDBACK

Feedback collection is an integral process at institutional and departmental level for improvisation of curriculum, teaching learning methodologies, research scientific initiatives, infrastructure, patient care and other facilities of the College. Feedback on curriculum is collected in structured format from students, teachers, alumni, speciality experts like examiners and employers which are analyzed by the Academic Committee and new technological innovations in Dentistry are adapted through inter disciplinary courses initiated by the Institution. Faculty teaching evaluation are conducted to attain academic improvisation and excellence. Teacher evaluation feedback are collected formally and informally from students and academic director and evaluated by the Academic Committee and IQAC is also initiating various faculty training programs. Patient feedback on infrastructure and patient care system is collected and suggestions and improvements are implemented at clinical levels in all departments. Feedbacks are collected for various CDE and seminars and scrutinized by the CDE Committee for mending the gap and conducting relevant CDE. Feedbacks are also collected and evaluated from parents, alumni and various other stakeholders for bringing institutional excellence and quality and values in our students.

List of Feedbacks

- 1. Patient feedback
- 2. Student feedback on Teaching Evaluation
- 3. Student Feedback on overall institution

- 4. Student feedback on teacher evaluation
- 5. Student feedback on comprehensive clinic system
- 6. Teacher evaluation (clinic wise)
- 7. Feedback from Interns
- 8. Feedback on finishing school program
- 9. Parents' feedback
- 10. Alumni's feedback The feedback forms are analyzed by the Principals Office which is communicated to the IQAC for the incorporation of corrective measures and thus facilitates overall development of the institution.

ALUMNI

The aim of Alumni meetings are to engage and foster strong lifelong bonds between current batch of students and passed out batch of students. It was an incredible reunion of alumni students coming from India and abroad. It is essential to help the passed out batches to connect to their own old college institution and rekindle their memories. Feedback from Alumni helps in improving academic processes and infrastructure. Alumni helps the students in placement through their references. Alumni guides by providing assistance to UG students who seek admission in different universities in India abroad. Our 18 college students have successfully cleared NEET examinations this year. Institute is extremely proud to reveal that about 20 students progressed to higher education. About 53 students got placement in professional services and 6 students were self employed as they start their own dental clinics. All these students were congratulated for their great success in their career.

Continuous Internal Evaluation is an important tool for the academic excellence of an institution. Compulsory formative assessments are conducted for all the batches for student analysis and student monitoring. Apart from this short evaluation, topic discussions are also conducted after every theory hours for continuous assessment of level of understanding of the topic. The monthly test scores are used for classifying the students as slow learners, mediocre learners and advanced learners. The mentors and the respective subject faculties provide need based coaching for the students. The resident tutor attends the slow learners in the hostel for their academic improvements. As per the University norms, average marks of three internal theory and practical examinations are conducted in the University examination pattern with coding and decoding system and booklet format answer scripts. The examination hall and office is equipped with CCTV cameras and mobile jammers, toilets and wash area for fair conduct of the examination. The tentative dates of the Internal Examinations are published and displayed at the beginning of the academic year and in the student hand book. A centralized evaluation system is practiced and result declaration is done within one week of examination. Any grievance is discussed in Academic Committee and issues are addressed. The students who scores adequate internal marks and attendance are only permitted to appear for the University examination. All the scores and the progress are intimated to parents timely. The acroemic committee thoroughly evaluates the performance level by interacting with the Academic Dean and the mentors. As a preparative phase, the students are allotted with a manner of two weeks of study leave for the University examinations.

Incremental performance in pass percentage of final year students.

FUTURE PLAN OF ACTION FOR NEXT ACADEMIC YEAR

Institution aims at sustained quality improvement in all the institutional components. Hence the following future plans of action were proposed for the next academic year.

- Curriculum enrichment by introducing new value added courses.
- Initiate micro teaching learning system in clinical studies and introduce comprehensive dental care system with the participation of all the departments.
- Initiate campus interviews for appointment of more Senior Lecturers in order to strengthen teaching learning system and to provide better individual need based academic guidance to the students and to improve the overall results.
- 4. To conduct Chairside Dental Assistant training programs.
- In order to build up teacher quality, a teacher training orientation / program to be conducted.
- Efforts to be laid to strengthen research and extension and hence to apply for institution to be recognized research centre by KUHS.
- Also to be an academic partner for National conferences and arrangements to be initiated for conducting pre-conference workshops.
- 8. To initiate a school adoption program on the occasion of Tooth Brushing Day.
- 9. To conduct regular CDEs and promotions of research in the institution.
- 10. To attain the state of the art facilities in Priority Clinic proposals to be collected to add on the infrastructural facilities, instrumentation facilities and man power, a RESEARCH on the infrastructural facilities.
- Funds to be allotted to all departments for infrastructure and teaching learning facility enhancement.

- Various student support programs to be initiated like organizing Yoga Basic course,
 Swimming course and appointment of swimming trainer.
- To conduct state level, inter collegiate sports and cultural fest, convocation, college day, sports day etc.
- 14. To initiate a YouTube channel and to arrange the facilities for the same for delivering multimedia based oral health awareness programs.
- Prepare and facilitate DCI MDS seat enhancement renewal inspection of three departments (Ortho, Pedo OMFS) and renewal of affiliation inspection by KUHS.

ANNUAL REPORT 2019-2020

GOLDEN HILLS, VENCODE P.O, VATTAPARA, THIRUVANANTHAPURAM- 695028

COLLEGE PROFILE

PMS College of Dental Science & Research, setup at Thiruvananthapuram is the brain child of NRI services and educational trust established in the year 2002. It is a premier Dental College in Kerala, named after the great visionary, LATE SRI. P. M. SHAHUL HAMEED, father of the Chairman Dr. P S. Thaha.

College is a venture with a cause of enhancing the state's self-reliance in the field of quality education in Dental Medicine and Surgery and is also the first self financing dental college in Kerala. The total area of the college is around 2 lakhs sq. ft. situated in 12 acres of land at Vattappara, well connected by road, rail and air. The institution, recognized by the Dental Council of India (DCI) is affiliated to Kerala University of Health Science(KUHS). We take pride in saying that the institution was the first to achieve the ISO 9001-2000 certification award among the Dental institutions in India and the first Dental College in Kerala with NAAC accreditation.

PMS College of Dental Science & Research started with 40 admissions for BDS Course and the number of BDS intake has increased to 100 in the year 2011. We have also started Post Graduation in the year 2010 with 23 admissions and the total seats increased to 36 in 2016. The College also houses Implantology, Laser Dentistry to give our students the best exposure to the latest trends and innovations in Dentistry. The students and faculty get ample opportunities to associate themselves with several dental programs organized in the college under the guidance of experts from India and abroad.

PMS has added another feather on its cap in 2017 by introducing a new system of education, The Integrated Micro teaching -learning system - "A Canadian system of Micro lecturing" and introduction of CLAB (Class room Integrated with Lab).

On the anvil is a full-fledged Dental sollege that meets the standards of the most prestigious institutions in and outside India to terms of facilities and faculties.

OUR VISION

To be an outstanding Dental & Research Institute of International repute for producing dental professionals with skills, knowledge and values

OUR MISSION

- Promote sustainable development of Dental and allied Health Education, consistent with statutory and regulatory requirements.
 - Plan and continuously provide excellent infrastructure, learning resources required for quality education and innovations.
 - Stimulate, to extend the frontiers of knowledge, through Faculty Development and Continuing Education Programs.
 - Impart awareness on Dental Science and Oral Health to the society with special reference to Educational Institutions.
 - Make research a significant activity involving Staff, Students and Society.
 - Promote collaborations with Regional, National and International Institutions
 - Establish healthy and regular interactions with all stakeholders for vision oriented growth.
 - Fulfill the Sational Obligation through participation and contribution to National Health Programs.

Provide regular value based education to the students

CHAIRMAN'S MESSAGE

Our vision is to emerge as a pioneer Dental and Research institute of global repute which is known for bringing forth dental professionals with expertise, dedication and social commitment. For that, we have already seized the opportunity to rethink and reposition ourselves through an innovative curriculum, talent mining and strategic alliances.

While moving to the forefront of Dental education, our spotlight falls on inventing novel platforms for knowledge creation and transfer through relentless research.100% student centered learning is already practiced and we encourage the learners to manifest their knowledge and keep raising their benchmarks of performance.

We remain committed to the sustainable development of Dental and allied Health Education. Innovation plays a pivotal role and we aim to continuously and consistently nurture talent providing the best infrastructures, well as learning resources. By our constant engagement and initiatives towards accurry development and interactive learning programs intended to impart awareness and knowledge transfer we make sure that research becomes a major activity. While providing value based education to students, we also remains socially responsible for participating and contributory to national health programs.

In short, we make every possible step to envision and ensure a bright future for all.

Dr. P.S. Thaha

Chairman

MESSAGE FROM PRINCIPAL

Dear Student,

Welcome to the fraternity of PMS College of Dental Science and Research.

Our college strides to bring together students with a specific goal in life and adynamic approach to achieve it.

Our aim is to nurture talents in the field of dentistry on the firm foundations ofglobal competencies and inviolable ethical principles.

We are proud to have you with us and it will be our sincere endeavour to fulfil your learning objectives.

During this course, while we take you through the fascinating world of study of human body, we shall also help you to acquire all skills necessary to make you an excellent professional and a good human being.

This handbook has been designed to enable you to make the best use of all the facilities available at PMS College of Dental Science and Research.

We do hope you will have experience. With best wishes,

a meaningful learning

OUTSTANDING COLLEGE ACTIVITIES DURING 2019

- Dr.Shaji K Joseph, Member Dental Council of India delivered a talk of "Menace of Ragging" on 18.01.2019 at 10.30 am.
- U G convocation ceremony of 2013-2014 batches was held on 12.2.2019 at 5.30 pm in the college ground.
- 3. Our College organized a unique program "International Faculty Week from February 12th to February 16th 2019. Dr.Azhar Nazeeb from Baharin, Dr.Mohmaed Ezzat Ghazi from Egypt, Dr. Jean Pierre Bernard from Switzerland, Dr.Dana York from France, Dr. Nedjet Armin from Germany and Dr.Anil Ardeshna from USA attended the symposium as resource persons.
- 4. A CDE program on "Tobacco Cessation" was organized by the Department of Oral Pathology on 18th February 2019. Invited speakers were Dr.Pratima Murthy, Professor of Psychiatry and Head, Centre for Addiction Medicine, NIMHANS, Dr.Prabhat K Chand Professor Psychiatry coordination NIMHANS and Dr.Narasimha V L faculty of Addiction Psychiatry NIMHANS and inauguration of Tobacco Cessation Clinic was done on the same day by Dr.Pratima Murthy.
- 5. On March 8th women's day was celebrated at PMS College of Dental Science and Research. The program was inaugurated by the Chairman Dr P S Thaha. A total of 115 participants were present. The Chief guest for the day, Dr Lakshmi Sukumar gave a talk on the topic "Equality includes both genders." The program was concluded by Dr Varsha Rajeev, Senior Lecturer Department of Prosthodontics with a vote of thanks.
- A special dental camp was organized by Department of Public Health Dentistry on 20.03.2019 for Tribes of Policinavu, Arippa, Trivandrum District.
- 7. A CDE program on CBC on Routine Dental Practice organized by Department of Oral Medicine and Radiology and IDA on 28.03.2019.

 PMS COLLEGE OF DENTAL SCIENCE & RESEARCH THIRLIPMS AND THAPPEND

- The first phase of faculty enrolment program was completed by 02.04.2019 and second phase of enrolment by 12.04.2019.
- 9. A CDE program on Ethics and Research was organized by Department of Biochemistry on 25.04.2019 Dr. Sarath Babu, Associate Professor Dept of Pharmacology, SR Medical College, Varkala, Dr.Babu Mathew, Director of Research, PMS Dental College and Dr.Jayakumar K Professor & HOD Biochemistry, PMS Dental College were the speakers.
- 10. A CDE program on Retreatment in Endodontics was organized by Dept.of Conservative Dentistry on 04.05.2019 invited faculty was Dr. Ajit Shaligram from Mumbai.
- 11. Induction Ceremony of fresh batch of PG students was held on 07.06.2019 at Dr.R.Ahamed Central auditorium. Dr. N.M Veeraiyan, Chancellor of Saveetha. University was the chief guest and Dr.Deepak Nallaswamy Director of Academics Saveetha University was the Guest of Honour.
- 12. A CDE program was organized by Department of Public Health Dentistry on 18.06.2019 on Ozone Dentistry. Dr.Sudhir Dole was the resource person, who is a trainer, educator, clinician and academic trainer.
- 13. Faculty Enrolment program on KUHS portal was formally completed on 26.06.2019 following which staff can log in using their e-mai id as user name and customized password.
- 14 A CDF program on Basic Life Support was organized by Dept.of Oral & Maxillofacial Surgery on 08.07.2019 speaker for the program was Dr.Salahuddin A R who is a American Heart Association (AHA) certified BLS ACLS Instructor.
- 15. A CDE Program Workshop on Research Methodology was conducted for 1st year MDS PG students on 19th & 20th July 2019. Dr.Krithika Datta and Dr.Jayanthi Varun were the invited speakers.
- 16. A Training program, on the Usage of Online library (EBSCO Host) for 1st year PG Students was organized on 05.08.2019 in the A/C auditorium.
- 17. College has decided to shift to comprehensive clinic system with effect from 24th August 2019 and orientation workshop was organized for the teaching faculty by Dr.Sheeja Varghese, Dean Saveetha University Chennai on 19th and 20th August 2019.

- 18. Dr.Greeshma Merin Mathews won the best paper award in the National IAOMR PG Convention 2019 held at V.S.Dental College, Bangalore on 23rd and 24th August 2019.
- 19. A CDE program on Clinical innovations in Periodontology on 29.08.2019 was organized by Department of Periodontics, Faculty for the program was Dr. Ajay Kakar Professor MGM Dental College, Navi Mumabi
- 20. Induction ceremony of BDS 2019 batch was conducted on 26.09.2019 at Dr.R.Ahamed Central Auditorium. The chief guest of the program was Shri Biju Prabhakar IAS, Secretary to Government. Dept.of Social Justice and Guest of Honour Dr.P.K Jameela Director Aardram Mission Govt. of Kerala.
- 21. A CDE program was organized by Department of Pedodontics on 03.08.2019 titled The Evidence Pyramid An Eagles eye into systematic review and meta-analysis Dr.Sheeja S Varghese Professor & HOD Department of Periodontics Saveetha Dental College, Chennai was the main resource person.
- 22. A CDE program on Dental Implantology was held on 28.09.2019 in the A/c Auditorium. Prof Dr.Porus S Turner, Dept.of Prosthodontics, A B Shetty Memorial Institute of Dental Science was the invited faculty
- 23. PMS Dental College in association with Sree Chithra Institute of Medical Science and Technology is conducting a CDE program on the topic Biomaterials application in dentistry on 15.10.2019. Dr. Manoj Komath, Scientist G, Biomedical Technology wing, SCTIMST spoke on bioactive bone grafts for dentistry and Dr.Lizimol P P, Scientist F & in-charge division of dental products, BMT wing, SCTIMST, spoke an New Trends in Restorative materials.
- 24. Students support guidance cell organized on Anti-Ragging Awareness by Mr. Mohammed Shafi S P on 23.10.2019 at 2.30 pm in the A/c Auditorium.
- 25. First module of Teacher Training program was organised on 26.10.2019 in association with Mar Theophilus Training College, Trivandrum an Effective Classroom Management for Professional Education Faculty was Dr.Joju John Professor Department of Education Psychology of the same institution.
- 26. Second module of reacher arining Program was conducted on 02.11.2019 in the A/c Auditorium Lat. Reght. Professor Mar Theophilus Training College spoke on Skills and competence for a productive performance by Professional Teachers and preparation of Teaching materials.

- 27. College organized an orientation program on Revised Accreditation work of NAAC on 3rd & 4th December 2019. Faculty was Dr.M P Rajan, Member Peer Team and Former Academic Consultant, NAAC Bangalore.
- 28. College organized a one day CDF program on All on four Zygoma, Nasal & Pterygoid Implants as part of our Advanced Surgical module of the Implantology Diploma Program on 03.12.2019. Faculty was Dr. Johnson Raja James/Vice Principal, Rajas Dental College, Tamil Nadu.
- 29. A CDE program on Photography & Videography Digital Art in Dentistry on 20.12.2019 in the A/c Auditorium. Faculty was Dr. Prisly Thomas from Believers Church Medical College Hospital Thiruvalla.
- 30. Annual College Day titled Sanskriti 2019 was conducted on 23.12.2019. Chief Guest of the program was Shri Balram Kumar Upadhyay I G of Police South zone and Guest of Honour will be Srimati Gowri Kamatchi CEO SUT Academy of Medical Sciences.
- 31. College organized 2 modules of certificate program in Laser Dentistry offered by European Medical Laser Association Basic Module was conducted on 14th – 16th February 2019 and Advanced module on 5th and 6th April 2019.
- 32. Our College in association with Doctor and Doctor Associates Private Limited had organized one year Diploma program in implantology (5 modules) offered by International Clinical College, Switzerland.
- 33. At the 17th CAESOK Midterm Conference and 9th PG student convention Dr.Geetha Ramachandran and Dr. Jyothilekshmi B won the first place in Quiz and overall best scientific paper was bagged by Dr. Mahesh M of Department of Conservative Dentistry & Endodontics PMS College of Dental Science & Research.
- 34 At the 7th AOMSI Tamil Nadu State Annual Conference Dr, Georgie P Zachariah won 2nd place in Scientific paper presentation and third prize was won by Dr.Meghna Chandrachood in surgical skill competition.
- 35. Dr. Jayanthi Varun, Professor Dept. of Maxillofacial Pathology conducted an Orientation program for August Residents titled 'How to prepare for PG Entrance Examinations'.
- 36. World No Tobacco Day was observed by Department of Public Health Dentistry in association with Southern Railway and Metro Manorama at Trivandrum central Railway station. Shr Copinatio Nuthukad was the Chief Guest.

- 37. At the 2nd Annual OOO conclave 2019 organized by Annoor Dental College Muvattupuzha the following PG students won prizes. Dr. Mathew Joseph won 2nd prize in e-poster presentation and Dr. Arathy PT, Dr.Joseena James, Dr.Sumayya Mohammed and Dr.Mathew Joseph won 3rd prize on Quiz competition.
- 38. At the annual conference of the association of Oral & Maxillofacial Surgeons of India held at Quilon, Dr.Georgie P Zachariah won the 1st prize for Quiz & 2nd prize for surgical skill assessment competition. Dr.Thulasi won the 2nd prize for surgical skill assessment competition and Dr.Aarathy P T won the best paper in Free Paper category
- 39. Dr.Nidhi K Jayan won the best paper award in the "TRICON 19, 4th KUHS National Conference on Post Graduate Medical Research. She is a final year PG Student in the Department of Oral & Maxillofacial Surgery.
- 40. PMS College of Dental Science & Research hosted the pre-conference courses of XXVIII National Conference of Indian Association of Oral & Maxillofacial Pathologists on 31.10.2019 and 01.11.2019 in the Microbiology CLAB room.
- 41. KUHS approved PMS College of Dental Science & Research as Centre for Ph.D programs in the Departments of Oral Pathology, Periodontics, Oral Medicine & Radiology and Pedodontics.
- Dr. Vivek, V, Professor & HOD Dept. of Oral Medicine won the best Reviewer Award for reviewing the IAOMR Journal in the National Conference of IAOMR 2019.
- 43. Third Module of Teachers Training Program was conducted in association with Mar Theophilus Training College. Faculty was Dr.Neena Thomas Asst. Professor in Mar Theophilus who spoke on Designing and Practice of Tools of Evaluation Theory and Practice.
- 44. Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 extended to three more years till 24.03.2021.
- 45. Our College also signed for an exchange of Academic Research and other educational materials and Saveetha Dental College, 162, Poonamallee High Road, Velappanchayad, Chennai, Panil Nadu 600077 from 19.09.2019 till 18.09.2022
- 46. Our College has also signed a one year Clinical training contract for Academic purpose with a Johns health Services, Trivandrum from 04.05.2019 to 03.05.2020.
- 47. Our College has also signed an Academic Collaboration with SUTE Academy of Medical Sciences, Vattapara for Clinical training this year from 03:10,2019 APURAM-28

- 48. Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- Our College has started a four year collaborative Academic and Research linkage with Pallium India, Trivandrum from 10.01.2018 to 31.10.2022.
- 50. Our College also had a linkage for providing Clinical services at subsidised rates with Santhigiri Ashram, Santhigiri, Pothencode, Thiruvananthapuram, Kerala.
- 51. Our College continued Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojapura, Thycaud, Thiruvananthapuram, Kerala and Ceego Labs Put Ltd, Chennai for conducting clinical trials.
- 52. Our three year MOU CONTRACT for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA IS continued from 14 07 2016 till 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social activities and certificate of attendance will be given.
- 53. Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development is continuing from 04.03.2016 to 03.03.2023.
- 54. Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.
- 55. In this academic year 2019-2020, average number of patients treated as out patients are 207120 and inpatients are 686.

CURRICULUM PLANNING AND IMPLEMENTATION

Institution follows the curriculum framed by KUHS, as per the DCI regulations. The institution offers one undergraduate program and eight Post Graduate Programs. A well planned and channelized curriculum delivery is in place under the supervision of the Principal and various Associate Deans. The Associate Dean overseas the academic schedule preparation, teaching schedule of each batch for effective curriculum delivery Institution ensures adequate clinical exposure in the field on advanced dentistry apart from the existing curriculum by imparting value added courses in the areas of Laser Dentistry, Implant

Dentistry, CBCT & Forensic Odontology under the guidance of specialized faculty. Regular formative and summative evaluations are carried out apart from the regular monthly tests, assignments, seminars and discussion to strengthen academic potential of the students. The NSS units and various clubs and committees strengthen the social responsibility which enriches the curriculum.

As a part of achieving the vision based goal of imparting quality education of International standards, a system of Student Centric Method exists in the institution. This system enables small group teaching – learning environment to extend more individual attention to the students. It encourages effective and enthusiastic learning environment by providing class room integrated laboratory (CLAB) system and replaces the monotony of hour based didactic system with a framework of short duration lecture sessions and a topic based activity to improve the cognitive skills of the students and also enhances the topic retention ability to the students. The Principal's office and the Associate Dean (Academics & Clinics) ensure thorough documentation process and conducts timely internal audits for the same. The consistent feedback collection and analysis ensures overall improvement of the institution.

RESEARCH PROMOTION

Institution has definite policy and procedure for research and extension activities. The institutional Scientific Committee and Research Committee contribute for the strategic development of research atmosphere in the institution. The suggestions for the improvements regarding the research and development are discussed in the IQAC for implementation. Budget allocation is done yearly for the upgradation of research facility of the institution. Institutional Ethical Committee over looks the research proposals of students and faculty channelizes the scope of bringing in more research activities to the institution. The Director (CDE) is entrusted with the conduct of maximum number of CDEs for imparting scientific knowledge in the subject. The regular clinical clubs conducted under the supervision of Associate Dean(Research). Research Committee is encouraging the faculty and students for research presentation, publications and attending conferences.

Institution aims to be an outstanding Dental Research Institute of International repute, which is the vision of the institution. Aiming to attain international standard in teaching learning system pedagogical approaches by means of CLAB system (Class Room Associated Lab) is being implemented, which incorporates MILA learning approaches. Focusing on achieving the international standards of clinical learning and exposure, the institution initiated finishing school program for the outgoing interns so as to equip them with the current updated and advanced technology in areas of multidisciplinary and comprehensive oral health care facility is provided under one roof as Priority Clinic, where the students also gets clinical exposure. Usage of ipad (8th generation, 10.2" display, 128GB). The society outreach programs and various extension activities enriches the mission of the institution makes the social responsibility and commitment. The consistent Continuing Dental Education Programs supplements the students with skills, knowledge and values based education to the students. The establishment of Tobacco Cessation Clinic in the campus is an initiative and best practices for encouraging the community towards 'Quit Tobacco Usage'. The mentoring system, SSGP cell and SGRC plays a significant growth in student support and providing a student friendly campus

MOU/LINKAGES/COLLABORATION WITH INSTITUTIONS/ INDUSTRIES IN INDIA/ ABROAD DURING THE YEAR 2019

- Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 extended to three more years till 24.03.2021.
- Our College also signed for an exchange of Academic Research and other educational materials with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 from 19.09.2019 till 18.09.2022
- Our College has also signed a one year Clinical training contract for Academic purpose with St. Johns health Services, Trivandrum from 04.05.2019 to 03.05.2020.
- Our College has also signed an Academic Collaboration with SUT Academy of Medical Sciences, Vattapara for Clinical training this year from 03.10.2019.
- Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- Our College has started a four year collaborative Academic and Research linkage with Pallium India, Trivatidrum from 10.01.2018 to 31.10.2022.
- Our College also had a linkage for providing Chineal services at subsidised rates with Santhigiri Ashram, Santhigiri, Pothencode, Thiruvananthapuram, Kerala.

- Our College continued Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojapura, Thycaud, Thiruvananthapuram, Kerala and Ceego Labs Put Ltd, Chennai for conducting clinical trials.
- 9. Our three year MOU CONTRACT for Academic cooperation and Student Exchange Program (Research and Resource Sharing) with Rutgers School of Dental Medicine, New Jersey, USA IS continued from 14.07.2016 till 13.07.2019. During the program school materials, pre-clinical kits food accommodation transport facilities, social activities and certificate of attendance will be given.
- 10. Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development is continuing from 04.03.2016 to 03.03.2023.
- Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.

Student Council Activities during the Year 2019-2020

Student council plays a pivotal role in promoting student activities, revealing the hidden talents of students, improving quality of student's life and to foster a good rapport with the students. Student council represents the student's voice, also acts as a mediator to share student's ideas, interests and concerns with faculties. Student council members identifies activities that would like to be involved in a particular year along with the provisional dates. This year as per the arrangements made by the student council, our College conducted College Day Celebration and students of the Institute actively participated in both sports and cultural activities. During this academic year, College Day was celebrated in the name of "SANSKRITI 2K19". Hidden talents of students were revealed by performing cultural activities and sports. Felicitations and distribution of certificates were presented to students, faculties and staff of the college for their exemplary performance in different forms. Special mention about the the students Aravind Nair and Triptha Prasad who were selected as the Arts and Sports King and Oneen this year. Overall Sport Championship trophy was also handed over to the winning team "NTHRONZ" in College day celebrations.

STUDENT COUNCIL MEMBERS 2019-20

1.CHAIR PENSON: PIEVNAV AP

2. VICE CHAIRPERSON: KRISHNAA S, ANJANA VR

INFRASTRUCTURE

The institution strictly abides by the institutional policies and procedures for the maintenance of the physical, academic and support facilities. This enable the institution to propel its quality to a higher level. Different committees are involved in overall supervision of the maintenance of different strata of the institution. Institution emphasis in renewable energy sources like the biogas plant, sewage treatment plants, rainwater harvest system, solar lights (automatic lights) etc. Other facilities like 200KVA per supply backup, diesel generating sets, water purifying plants, fire extinguishers, water coolers, sports and recreational facilities, auditoriums, prayer halls, canteen facilities are available as major physical and recreational facilities in the institution. Different Maintenance Supervisors conducts regular supervision of these facilities and reports are maintained for its service and usages. The library committee and academic committee along with IQAC overlooks different follow ups of policies procedures regarding support facilities like laboratory, library, sports complex, IT and classrooms its maintenance and updations. The IT wing actively supports the updation of IT facility, biometric system and other software upgradation and implementation.

Institution offers various development program for support staffs in focus with overall quality improvement and assistance to the staff. Various welfare measures are adopted for the employees of all strata of the institution. Personality development programs, skill development programs and professional development programs are being initiated in focus with their overall development. Welfare schemes like financial assistance, festival allowance, leave benefits, ESI, EPF, general insurance etc. being provided for overall development of the supporting staff.

WISDOM UNEARTHED

The Dept. of Oral and Maxillofacial Surgery and PMSCODR conducted a CDE program "Wisdom Unearthed" on 22nd and 23rd February 2019 by eminent academician Dr. Nikhil M Kurien. The CDE program was well attended by 13 students from PMS dental college

The programme was scheduled for 2 days. The fundamental aim of this course was to broaden the horizon of fresh graduates and provide the knowledge and opportunity to perform various minor surgical procedures.

On 22 nd february registration started at 8.30 am followed by an inaugral ceremony. lecture started at 9.30 am till 11.30 am followed by a short tea break. The following session was Hands-on workshop on impaction and biopsy till 1.00 pm. The afternoon session comprised of hands-on workshop on alveoloplasty and suturing a panel discussion was conducted from 4.15- 5.00 pm moderated by Dr shiad Salim, Dr Vinod Nair. Programme concluded at 5.00 pm

Dr N O Varghese Principal, PMS Dental College

CBCT IN ROUTINE DENTAL PRACTICE

TITLE OF THE PROGRAM: CBCT in Routine Dental Practice

VENUE: PMS College of Dental Sciences, Vattapara, Trivandrum.

Date: 28 .03 .2019

Time: 9 am to 4pm

Faculty: Dr. Vivek V, Dr. Sunila Thomas, Dr. Aswathy K. Vijayan

This course aimed to render Comprehensive training to the participants in order to understand the fundamentals and working principles of CBCT along with quality hands on experience on an advanced CBCT machine, Dentri C- HDX Wills, which shall enhance the core competence of the participants towards better diagnosis, treatment planning and integration of CBCT into routine dental practice. This was designed to be a comprehensive programme, to provide basic knowledge & skill in CBCT imaging, it's clinical application and integration into ethical and routine dental practice. It provided an excellent opportunity for those who seek theoretical & hands on training in CBCT imaging especially 'On Demand 3D' project.

Dr. N O Varghese Principal, PMS Dental College

RETREATMENT IN ENDODONTICS

Report

Ajith Shaligram

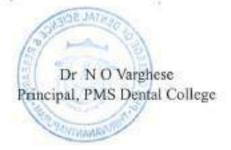

Topic- Retreatment in endodontics

Ajit shaligram a practising micro endodontist from Mumbai was the resource person for the programe. CDE registration started at 8.30 am . There were 95 delegates in and out of the institution including 10 members of the organising committee. Program started with a silent prayer. Dr N O Varghese welcomed all the participants, which was followed by lighting of the lamp.

Director CDE program PRESANTHI JANAM addressed the gathering and invited the speaker for his oration. Vote of thanks was delivered by DR RAJESH PILLAI professor department of Conservative Dentistry. Dr Ajith Shaligram spoke extensively on case selection, diagnostic tools and armamentarium for retreatment 9:30 am to 11:30 am followed by a lecture rationale for removing fractured instruments from 11:45 am to 1:30 pm followed by a break for lunch for 30 minutes

From 2 – 3 pm he spoke on the techniques for removal of posts for retreatment followed by a panel discussion from 3-3:30 pm. Programe concluded by 4:00 pm

OZONE DENTISTRY

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

CDE PROGRAM ON 18TH JUNE 2019 (ORGANISED BY DEPARTMENT OF PUBLIC HEALTH DENTESTRY)

TOPIC : "OZONE DENTISTRY"

RESOURCE PERSONS - DR. SUDHIR DOLE

INAUGURAL PROGRAM

9.00 AM - PRAYER

9.05 AM + WELCOME SPEECH BY PRINCIPAL

DR.N.O.VARGHESE

9.10 AM - CHAIRMAN'S ADDRESS BY DR.P.S.THAHA

CHAIRMAN, PMS DENTAL COLLEGE

9.15 AM - INAUGURATION OF THE CDE PROGRAM & INAUGURAL

ADDRESS DR.P.S.THAHA, CHAIRMAN, PMS DENTAL COLLEGE

9.20 AM INTRODUCTION OF THE SPEAKER DR ABDUL SALAM

ASST PROFESSOR DEPT. OF PUBLIC HEALTH DENTISTRY

9.25 AM - PRESENTATION MOMENTO TO THE CHIEF GUEST

BY DR. P.S. THAHA, CHAIRMAN

9.30 AM ADDRESS BY SPEAKER, DR. SUDHIR DOLE

9.35 AM - PELICITATION BY DR. RAJESH PILLAL PG DIRECTOR

9.40 AM . VOTE OF THANKS

DR. SWATHY ANAND

HOD

DEPT OF PUBLIC HEALTH DENTISTRY

NATIONAL ANTHEM

BASIC LIFE SUPPORT

PMS College of Dental Science and Research conducted a CDE program "BASIC LIFE SUPPORT" on 08-07-2019 by Trainers from American Heart Association. The CDE program was well attended by around 38 delegates. Their lecture emphasized the concepts and limitations of Basic Life Suport. Their lecture was pivotal in debunking many myths surrounding Basic Life Support.

The afternoon Hands-on session on Basic Life Support. Several emergency cases with indications for BLS were exhaustively discussed. There was a deeper engagement as an interdisciplinary team. The CDE program came to a close by 2nd evening.

Dr N O Varghese Principal, PMS Dental College

WORKSHOP ON RESEARCH METHODOLOGY

The CDE Committee PMS college of dental science and Research conducted two day CDE 19.07.2019 to 20.09.2019 on Research Methodology by eminent speakers Dr Krithika Datta and Dr Jayanthi Varun. The programme registration started at 8.00 am. There were 80 delegates comprising of post graduate students. Program started with a silent prayer. Dr N O Varghese welcomed all the participants, Dr Sudeep S R Professor Department of prosthodontics shared words of wisdom with the participants followed by lighting of the lamp.

Dr Vinod Mony addressed the gathering and invited the speaker for his oration. Vote of thanks was delivered by DR RAJESH PILLAI professor department of Conservative Dentistry.

It was a 2 day programme. On the first day lecture started at 9.00 am. The speakers explained about who needs research, How to gather literature evidence, critical appraisal of the journal. The Hand-on in the afternoon session commenced in the afternoon and trained paticipants on how to search the internet for scientific information. And how to read journal articles.

On second day lectures started at 9.00 am and continued till 1.00 pm on topics general hypothesis, study designs, hypothesis testing and scientific writing. In the afternoon session hands on training was given outlier to develop a research question and critical appraisal of statistics in published articles. The programme concluded at 5.00 pm after an interactive session.

Dr Prasanthila Janam Director, CDE, PMS Dental College Dr N O Varghese Principal, PMS Dental College

BIOMATERIALS- APPLICATION IN DENTISTRY

Report on CDE Programme

Date: 15-10-2019

Resource person- Dr Manoj komath , Dr. Lizy mol and Dr Manju .S

Topic - Biomaterials in dentistry

Dr Manoj komath , Dr. Lizy Mol are senior scientists with the Sree Chitra Thirunal institute of medical science and technology Poojapura and Dr. Manju S a Post doctoral fellow were the resource persons for the program.

CDE registration started at 8.30 am . There were 118 delegates in and out of the institution including 10 members of the organising committee. Program started with a silent prayer. Dr N O Varghese welcomed all the participants, which was followed by lighting of the lamp.

Director CDF program PRESANTHILA JANAM addressed the gathering and invited the speakers for starting the lecture. Vote of thanks was delivered by DR RAJESH PILLAI professor department of Conservative Dentistry. Introduction to biomimetics, Biominimalism, and various biomaterials used in restorative dentistry, Endodontics and periodontics were covered by the speakers in the morning session followed by a break for lunch for 30 minutes

From 2 - 3:30 pm an extensive description the recent advances in biomaterials was held followed

by a panel discussion from \$10-4 pm. Programme concluded by 4:30 pm

MENTORING SYSTEM

The student mentoring system available in the institution provides a parental touch to the students while in the campus. Each mentors are allotted with 10 - 20 students, who continuously monitors, counsel, guides and motivate the mentees in all academic matters. The mentors contacts the parents for academic irregularities, negative behavioral changes, interpersonal relationship issues and other detrimental activities only if circumstances demand. A formal monthly based mentor – mentee interactions is carried out apart from the other informal interactions. The mentors maintain a register for detailing the mentor – mentee activities and the mentoring related issues are reported to the Associate Dean (Academics)with the help of Principal's Office and College Counselor resolves for the welfare of the students. The mentors also reports to the Academic Committee, Student Support and Guidance Cell regarding the special issues which is an initiative of KUHS as a part of student support system.

FEEDBACK

Feedback collection is an integral process at institutional and departmental level for improvisation of curriculum, teaching learning methodologies, research scientific initiatives, infrastructure, patient care and other facilities of the College. Feedback on curriculum is collected in structured format from students, teachers, alumni, speciality experts like examiners and employers which are analyzed by the Academic Committee and new technological innovations in Dentistry are adapted through inter disciplinary courses initiated by the Institution. Faculty teaching evaluation are conducted to attain academic improvisation and excellence. Teacher evaluation feedback are collected formally and informally from students and academic director and evaluated by the Academic Committee and IQAC is also initiating various faculty training programs. Patient feedback on infrastructure and patient care system is collected and suggestions and improvements are implemented at clinical levels in all departments. Feedbacks are collected for various CDE and seminars and scrutinized by the CDE Committee for mending the gap and conducting relevant CDE. Feedbacks are also collected and evaluated from parents, alumni and various other stakeholders for bringing instablished excellence and quality and values in our students.

List of Feedbacks

- 1. Patient feedback
- 2. Student feedback on Teaching Evaluation
- 3. Student Feedback on overall institution
- 4. Student feedback on teacher evaluation

- 5. Student feedback on comprehensive clinic system
- 6. Teacher evaluation (clinic wise)
- 7. Feedback from Interns
- 8. Feedback on finishing school program
- 9. Parents' feedback
- 10. Alumni's feedback The feedback forms are analyzed by the Principals Office which is communicated to the IQAC for the incorporation of corrective measures and thus facilitates overall development of the institution.

ALUMNI

The aim of Alumni meetings are to engage and foster strong lifelong bonds between current batch of students and passed out batch of students. It was an incredible reunion of alumni students coming from India and abroad. It is essential to help the passed—out batches to connect to their own old college institution and rekindle their memories. Feedback from Alumni helps in improving academic processes and infrastructure. Alumni helps the students in placement through their references. Alumni guides by providing assistance to UG students who seek admission in different universities in India abroad. Our 11 college students have successfully cleared NEET examinations this year. Institute is extremely proud to reveal that about 12 students progressed to higher education. About 56 students got placement in professional services and 2 students were self employed as they start their own dental clinics. All these students were congratulated for their great success in their career.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC initiated to appoint a Director exclusively for Research Activities to encourage and monitor the research activities of UG, PG students and faculty members. Periodical meetings with staff members are initiated to monitor and ensure the quality of students and department activities.

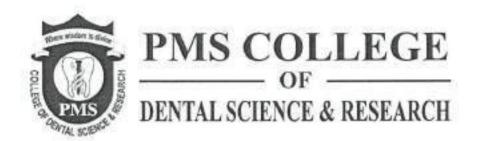

IQAC initiated to implement small group teaching learning process.—Multiple Interactive Learning Algorithm (MILA) — a Canadian Dental Education system to enhance Micro Learning and Micro Teaching which brings individual attention to each students, which creates an effective, enthusiastic teaching learning environment with the introduction of Class Room integrated Lab (CLAB), an innovative teaching learning system which replaced one hour lecture with a new frame work of lectures containing sessions of 20 minutes duration followed by an activity pertaining to the previous lecture. The unique lecture protocol interspersed with activities, improves the cognitive skills of student's retention ability of subjects.

Implemented training programs for the Interns and Post Graduate students with the most modern technologies apart from the University syllabus

Initiated Priority Dental Clinic with concerned Department specialists for prioritized

treatment for patients ENTAL SC

Our College always try to bring the students of marginalised and deprived social strata into the mainstream of higher education.

Continuous Internal Evaluation is an important tool for the academic excellence of an institution. Compulsory formative assessments are conducted for all the batches for student analysis and student monitoring. Apart from this short evaluation, topic discussions are also conducted after every theory hours for continuous assessment of level of understanding of the topic. The monthly test scores are used for classifying the students as slow learners, mediocre learners and advanced learners. The mentors and the respective subject faculties provide need based coaching for the students. The resident tutor attends the slow learners in the hostel for their academic improvements. As per the University norms, average marks of three internal theory and practical examinations are conducted in the University examination pattern with coding and decoding system and booklet format answer scripts. The examination hall and office is equipped with CCTV cameras and mobile jammers, toilets and wash area for fair conduct of the examination. The tentative dates of the Internal Examinations are published and displayed at the beginning of the academic year and in the student hand book. A centralized evaluation system is practiced and result declaration is done within one week of examination. Any grievance is discussed in Academic Committee and issues are addressed. The students who scores adequate internal marks and attendance are only permitted to appear for the University examination. All the scores and the progress are intimated to parents timely. The academic committee thoroughly evaluates the performance level by interacting with the Academic Dean and the mentors. As a preparative phase, the students are allotted with a minimum of two weeks of study leave for the University examinations.

Incremental performance in pass percentage of final year students.

FUTURE PLAN OF ACTION FOR NEXT ACADEMIC YEAR

Institution aims at sustained quality improvement in all the institutional components. Hence the following future plans of action were proposed for the next academic year.

- 1. Curriculum enrichment by introducing new value added courses.
- Initiate micro teaching learning system in clinical studies and introduce comprehensive dental care system with the participation of all the departments.
- Initiate campus interviews for appointment of more Senior Lecturers in order to strengthen teaching learning system and to provide better individual need based academic guidance to the students and to improve the overall results.
- 4. To conduct Chairside Dental Assistant training programs.
- In order to build up teacher quality, a teacher training orientation / program to be conducted.
- Efforts to be laid to strengthen research and extension and hence to apply for institution to be recognized research centre by KUHS.
- Also to be an academic partner for National Conference IDC 2020 and arrangements to be initiated for conducting pre-conference workshops.
- 8. To initiate a school adoption program on the occasion of Tooth Brushing Day.
- 9. To conduct regular CDEs and promotions of research in the institution.
- 10. To attain the state of the art facilities in Priority Clinic proposals to be collected to add on the infrastructural facilities unesquimentation facilities and man power.
- 11. Funds to be allowed to all departments for infrastructure and teaching learning facility enhancement.

- Various student support programs to be initiated like organizing Yoga Basic course,
 Swimming course and appointment of swimming trainer.
- To conduct state level, inter collegiate sports and cultural fest, convocation, college day, sports day etc.
- 14. To initiate a YouTube channel and to arrange the facilities for the same for delivering multimedia based oral health awareness programs.
- Prepare and facilitate DCI MDS seat enhancement renewal inspection of three departments (Ortho, Pedo OMFS) and renewal of affiliation inspection by KUHS.

PMS COLLEGE OF DENTAL SCIENCES AND RESEARCH,

ANNUAL REPORT 2020-2021

COLLEGE PROFILE

PMS College of Dental Science & Research, setup at Thiruvananthapuram is the brain child of NRI services and educational trust established in the year 2002. It is a premier Dental College in Kerala, named after the great visionary, LATE SRI. P. M. SHAHUL HAMEED, father of the Chairman Dr. P.S. Thaha.

College is a venture with a cause of enhancing the state's self-reliance in the field of quality education in Dental Medicine and Surgery and is also the first self-financing dental college in Kerala. The total area of the college is around 2 lakhs sq. ft. situated in 12 acres of land at Vattappara, well connected by road, rail and air. The institution, recognized by the Dental Council of India (DCI) is affiliated to Kerala University of Health Science(KUHS). We take pride in saying that the institution was the first to achieve the ISO 9001-2000 certification award among the Dental institutions in India and the first Dental College in Kerala with NAAC accreditation.

PMS College of Dental Science & Research started with 40 admissions for BDS Course and the number of BDS intake has increased to 100 in the year 2011. We have also started Post Graduation in the year 2010 with 23 admissions and the total seats increased to 36 in 2016.

The College also houses Implantology, Laser Dentistry to give our students the best exposure to the latest trends and innovations in Dentistry. The students and faculty get ample opportunities to associate themselves with several dental programs organized in the college under the guidance of experts from India and abroad.

PMS has added another feather on its cap in 2017 by introducing a new system of education, The Integrated Micro teaching -learning system - "A Canadian system of Micro lecturing" and introduction of the Age Class room Integrated with Lab).

On the anvil is a full-fledged Dental College that meets the standards of the most prestigious institutions in and outside the interms of facilities and faculties.

TOWNANTHABUR

OUR VISION

To be an outstanding Dental & Research Institute of International repute for producing dental professionals with skills, knowledge and values

OUR MISSION

- Promote sustainable development of Dental and allied Health Education, consistent with statutory and regulatory requirements.
 - Plan and continuously provide excellent infrastructure, learning resources required for quality education and innovations.
 - Stimulate, to extend the frontiers of knowledge, through Faculty Development and Continuing Education Programs.
 - Impart awareness on Dental Science and Oral Health to the society with special reference to Educational Institutions.
 - Make research a significant activity involving Staff, Students and Society.
 - Promote collaborations with Regional, National and International Institutions
 - Establish healthy and regular interactions with all stakeholders for vision oriented growth.
 - Fulfill the National Obligation through participation and contribution to National Health Programs.
 - Provide regular value based education to the students.

CHAIRMAN'S MESSAGE

Our vision is to emerge as a pioneer Dental and Research institute of global repute which is known for bringing forth dental professionals with expertise, dedication and social commitment. For that, we have already seized the opportunity to rethink and reposition ourselves through an innovative curriculum, talent mining and strategic alliances.

While moving to the forefront of Dental education, our spotlight falls on inventing novel platforms for knowledge creation and transfer through relentless research.100% student centered learning is already practiced and we encourage the learners to manifest their knowledge and keep raising their benchmarks of performance.

We remain committed to the sustainable development of Dental and allied Health Education. Innovation plays a pivotal role and we aim to continuously and consistently nurture talent providing the best infrastructure as well as learning resources. By our constant engagement and initiatives towards faculty development and interactive learning programs intended to impart awareness and knowledge transfer; we make sure that research becomes a major activity. While providing value based education to students, we also remains socially responsible for participating and contributing to national health programs.

In short, we make every possible step to envision and ensure a bright future for all.

Dr. P.S. Thaha

Chairman

THIRUVANANTHAPURAM-28

MESSAGE FROM PRINCIPAL

Dear Student,

Welcome to the fraternity of PMS College of Dental Science and Research.

Our college strides to bring together students with a specific goal in life and adynamic approach to achieve it.

Our aim is to nurture talents in the field of dentistry on the firm foundations ofglobal competencies and inviolable ethical principles.

We are proud to have you with us and it will be our sincere endeavour to fulfil your learning objectives.

During this course, while we take you through the fascinating world of study of human body, we shall also help you to acquire all skills necessary to make you an excellent professional and a good human being.

This handbook has been designed to enable you to make the best use of all the facilities available at PMS College of Dental Science and Research.

We do hope you will have a meaningful learning experience. With best wishes,

DISTINGUISHED COLLEGE ACTIVITIES DURING 2020

- The academic forum of Regional Cancer Centre TVM has permitted our PG students to attend their Continuing Medical Education (CME) program scheduled on 15.01.2020 free of cost.
- The 7th Module of Teachers Training Program is scheduled on 18.03.2020 in the A/c. Auditorium the resource person was Dr.Shiney Jacob, Asst. Professor in Natural Science at Mar Theophilus Training College Trivandrum.
- Dept. of OMR organized a Scientific talk on Management of Painful TMD Evidence from Systematic Review by Dr Thomas List, Professor & Chairman Dept.of Orofacial pain, Malmo University Swedan on 21.01 2020 from 2.00pm – 3.00 pm.
- 4. PMS Dental College was decided to the academic partner for the National Dental Conference to be held from 23.01.2020 to 26.01.2020. All the staff and students took part in the conference as Resource Persons, chairing session and part of the organizing committee.
- A talk by Dr. Anil Ardeshna Prof. Dept of Orthodontics Rutgers School of Dental Medicine on Diagnosis and treatment planning in Orthodontics was scheduled on 29.01.2020 in the A/a Ambtonum.
- 6 As part of World Cancer Day on 4th Feb 2020, a symposium on Role of Dental Surgeons in prevention and control of oral cancer was scheduled on 04.02.2020 from 1.00 pm to 3.00 pm. Dept.of OMR in association with Stomatologist and Maxillofacial Imageologist of Kerala, organized a symposium on Role of Dental Surgeon in prevention and control of Oral Cancer, Dr.Anitha Balan, Principal GDC Trivandrum inaugurated the function, Dr. Babu Mathew was the key note speaker and Dr Vivek V was the moderator.
- Corona Virus epidemic was declared as global health emergency by W.H.O. A lecture
 on Corona out break and prevention was sched@ef on 05.02.2020 at 1.00 pm in the

- auditorium by Dr.Rajan K E, Prof. Dept. of General Medicine. All faculty members and students attended the programs.
- The 8th module of the Teacher Training program is scheduled on 06.02.2020. Dr. K.Y Benedict Principal Mar Theophilus College will be the Resource Persons in-charge.
- The convocation ceremony of 2014-15 batch UG students was held on 22nd Feb 2020. Sri, Lokanath Belita IPS, Director General of Police Kerala was the Chief Guest and Guest of Honor was Prof Dr.V.S Krishna Nayak Dean A B Shetty Institute.
- 10. Dr. Babu Mathew was appointed of Director of CDE program from 25.02.2020.
- 11. On 29.02.2020 a CDE program on Denture Aesthetics- Prosthetic Art in Dentistry is being organized by Department of Prosthodontics. An external faculty Dr. Vishnu Manohar was the faculty.
- All Department NAAC representatives are advised to collect the attached format for preparation of NAAC AQAR on 02.03.2020.
- 13. It was decided to give training for Interns and post to SUT Medical College in emergency medicine and treatment room procedures from 02.03.2020.
- 14. Dental awareness exhibition, free oral screening and smile contest was arranged for school going children on 06.03.2020 as part of National Dentist Day in the college premises. National Dentists Day was celebrated by Dept.of Public Dentistry organized a Dental awareness exhibition free oral screening at click a smile contest for school children. Shri.John V Samuel was the chief guest for the function.
- 15. Women's day 2020 was celebrated at PMS College of Dental Science and Research on March 7th. The program was inaugurated by the Chairman Dr P S Thaha. A total of 66 participants were in attendance. The Speaker for the day, was Dr. Giby Geevarghese. He delivered a talk on the topic "Join the majority, Vote for Equality". The program was concluded by Dr Sudeep S Professor Department of Prosthodontics who gave the vote of thanks.
- 16. All teaching faculties' submitted their updated CV in our college email on or before 11.03.2020 for submitting to the National Institutional Ranking frame work by MHRD Govt.of India.
- 17. A Clinical Club of Minimally Invasive Technique in Restorative Dentistry was organized on 12 63.2020 in A/c Auditorium for all staff and clinical students by Department of Conserval we Dentistry & Endodontics.

PENAMENTHAPUS

- The IQAC of the institution was reconstituted as per latest NAAC guidelines on 16.03.2020.
- 19. Preventive Homeopathy medicines were supplied free of cost from the Office to staffs and students for protection against Covis-19 infection.
- All PG in-charges are advised to submit details of the short study research projects, poster and paper presentation to the NAAC co-ordinator on or before 18.03.2020.
- 21. All Teaching staffs were by reminded to follow the precautionary and preventive measures stipulated by DCI also in prevention of spreading Noval Corona Virus on 19.03.2020.
- The Faculty Enrolment Portal (FEP) program of KUHS has commenced from 15th March those staffs that have not enrolled in KUHS and advised to do it on or before 25.03.2020.
- 23. From 25.03.2020 only two clinics will be functioning owing to covid scenario as per the schedule. Only the faculties, house surgeons and supporting staff of the respective clinic should be present in the college.
- 24 Dt Ambili R Professor Dept of Periodontics was designated as Director, Dept of Research and Publications to co-ordinate all research activities in the college on 15.10.2020.
- All faculties updated the teaching faculty database affiliated to KUHS online before 26.09.2020.
- Workshop on Infection control was conducted on 28th September 2020 for the I MDS students by Dr.Nikhil M Kurien and the registration is free.
- 27. A workshop on Research Methodology was conducted for first year MDS students on 7th & 8th October 2020. Dr.Ambili R , Dr.Jayanthi P and Dr.Krithika Datta were the speakers for the program between 7th & 8th October 2020.
- Dr.Ambili R was appointed as Director of Department of Research and publication.
 She will be co-ordinating all research activities of the College from 15.10.2020.
- A meeting of scientific review committee was convened on 21.10.2020 to 23.10.2020 to review the thesis proposals.
- 30. Research community was re-constituted to co-ordinate research activities of the College on 04.1 2020

- One day CDE program was conducted for 1st year MDS students on 02.12.2020.
 Topic was Basic Life Support.
- 32. PMS College in association with Satspandana Charitable Trust conducted a basic course on Yoga. For interested staffs and students
- 33. On 31.12.2020 Covid Jagratha Samithi was formed for monitoring Covid situations in the campus. As per directions from KUHS and with full-fledged re-opening of clinics, our college constituted a jagratha Samithi for monitoring Covid situations in the campus headed by Principal Dr.Sudeep S
- Self-learning program for Moodle was implemented by KUHS for Teachers from 25th November 2020 to 04.12.2020. It was an online platform.
- 35. As the present Principal Dr.N.O. Varghese attained age of retirement, Vice Principal Dr. Sudeep S will be the new Principal since 28.12.2020.
- 36. As part of 20th Anniversary of PMS Dental College in the year 2022 it was decided to conduct a series of CDE programs for this period. Each department provided a detailed list of Intended date, Topic and Name of the resource persons.
- Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 will continue 24.03.2021.
- 38. Our signed exchange of Academic Research and other educational materials with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 will continue till 18.09.2022
- Our signed one year Clinical training contract for Academic purpose with St. Johns health Services, Trivandrum concluded on 03.05.2020.
- 40. Our signed Academic Collaboration with SUT Academy of Medical Sciences, Vattapara for Clinical training this year is still continuing.
- 41. Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- Our four year collaborative Vicademic and Research linkage with Pallium India, Trivandrum will continue till 31,102,022.

- 43. Our College continued Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojapura, Thycaud, Thiruvananthapuram, Kerala and Ceego Labs Put Ltd, Chennai for conducting clinical trials.
- 44. Our seven year MOU with Mar Theophilus Training College, Mar Ivanious Vidya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty training programme as a part of educational and professional development is continuing from 04.03,2016 to 03.03,2023.
- 45. Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03.08.2016 to 02.08.2021.
- 46. In this academic year 2020-2021, average number of patients treated as out patients are 128993 and inpatients are 1186.

CURRICULUM PLANNING AND IMPLEMENTATION

Institution follows the curriculum framed by KUHS, as per the DCI regulations. The institution offers one undergraduate program and eight Post Graduate Programs. A well planned and channelized curriculum delivery is in place under the supervision of the Principal and various Associate Deans. The Associate Dean overseas the academic schedule preparation, teaching schedule of each batch for effective curriculum delivery. Institution ensures adequate clinical exposure in the field on advanced dentistry apart from the existing curriculum by imparting value added courses in the areas of Laser Dentistry, Implant

Dentistry, CBCT & Forensic Odontology under the guidance of specialized faculty. Regular formative and summative evaluations are carried out apart from the regular monthly tests, assignments, seminars and discussion to strengthen academic potential of the students. The NSS units and various clubs and committees strengthen the social responsibility which enriches the curriculum.

As a part of achieving the vision based goal of imparting quality education of International standards, a system of Student Centric Method exists in the institution. This system enables small group teaching – learning environment to extend more individual attention to the students. It encourages effective and enthusiastic learning environment by providing class room integrated laboratory (CLAB) system and replaces the monotony of hour based didactic system with a framework of short duration lecture sessions and a topic based activity to improve the cognitive skills of the students and also enhances the topic retention ability to the students. The Principal's office and the Associate Dean (Academics & Clinics) ensure thorough documentation process and conducts timely internal audits for the same.

The consistent feedback collection and analysis ensures overall improvement of the

SCIENCE & RESEARCH

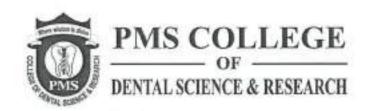

institution.

RESEARCH PROMOTION

Institution has definite policy and procedure for research and extension activities. The institutional Scientific Committee and Research Committee contribute for the strategic development of research atmosphere in the institution. The suggestions for the improvements regarding the research and development are discussed in the IQAC for implementation. Budget allocation is done yearly for the upgradation of research facility of the institution. Institutional Ethical Committee over looks the research proposals of students and faculty channelizes the scope of bringing in more research activities to the institution. The Director (CDE) is entrusted with the conduct of maximum number of CDEs for imparting scientific knowledge in the subject. The regular clinical clubs conducted under the supervision of Associate Dean(Research). Research Committee is encouraging the faculty and students for research presentation, publications and attending conferences.

LIST OF COMMITTEES

- 1. Administrative Committee
- 2. Academic Committee
- IQAC
- Admission Committee
- Finance Committee
- IT Committee
- Library Committee
- 8. Examination Committee
- 9. Journal Committee

BEST PRACTICES

Institution aims to be an outstanding Dental Research Institute of International repute, which is the vision of the institution. Aiming to attain international standard in teaching learning system pedagogical approaches by means of CLAB system (Class Room Associated Lab) is being implemented, which incorporates MILA learning approaches. Focusing on achieving the international standards of clinical learning and exposure, the institution initiated finishing school program for the outgoing interns so as to equip them with the current updated and advanced technology in areas of multidisciplinary and comprehensive oral health care facility is provided under one roof as Priority Clinic, where the students also gets clinical exposure. Usage of ipad (8th generation, 10.2" display, 128GB). The society outreach programs and various extension activities enriches the mission of the institution makes the social responsibility and commitment. The consistent Continuing Dental Education Programs supplements the students with skills, knowledge and values based education to the students. The establishment of Tobacco Cessation Clinic in the campus is an initiative and best practices for encouraging the community towards 'Quit Tobacco Usage'. The mentoring system, SSGP cell and SGRC plays a significant growth in student support and providing a student friendly campus

MOU/LINKAGES/COLLABORATION WITH INSTITUTIONS/INDUSTRIES IN INDIA/ ABROAD DURING THE YEAR 2020

- Our signed two year MOU for Faculty Exchange Programme with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 will continue 24.03.2021.
- Our signed exchange of Academic Research and other educational materials with Saveetha Dental College, 162, Poonamallee High Road, Velappanchavadi, Chennai, Tamil Nadu 600077 will continue till 18.09.2022
- Our signed one year Clinical training contract for Academic purpose with St. Johns health Services, Trivandrum concluded on 03.05.2020.
- Our signed Academic Collaboration with SUT Academy of Medical Sciences, Vattapara for Clinical training this year is still continuing.
- Our Linkage with Swiss International academy of Osseo Integration and Maxillofacial Research, Switzerland for conducting teaching courses in Diploma in Implantology for the next two years.
- Our four year collaborative Academic and Research linkage with Pallium India,
 Trivandrum will continue till 31.10.2022.
- Our College continued Collaborative research with Rajiv Gandhi Centre for Biotechnology, Poojagura, Thycarid, Thiruvananthapuram, Kerala and Ceego Labs Put Ltd, Chennai for conducting clinical types.
- 8. Our seven year MOU with Wat Theophilus Training College, Mar Lyangous Widya Nagar, Nalanchira, Thiruvananthapuram, Kerala for conducting year wise faculty

- training programme as a part of educational and professional development is continuing from 04.03,2016 to 03.03,2023.
- Our five year MOU contract with Biogenix Research Centre for Molecular Biology and Applied Sciences, Valiyavila, Thiruvananthapuram, Kerala for Research and Resource sharing is continuing from 03,08.2016 to 02,08.2021.

Welfare Measures for Teaching and Non-Teaching Staff

Following are the main welfare measures provided to the staff of PMS Dental College by the Management.

- Accident Insurance Coverage: The College is providing Accident Insurance Scheme to all teaching and non-teaching staff with the tie up of M/s National Insurance Co.Ltd / Bajaj Allianz General Insurance Co. Ltd.
- Employee State Insurance Scheme (ESI): This is provided to all non-teaching staff
 towards the medical benefits to staff and their family members. This scheme is under the
 Employment State Insurance Corporation, Ministry of Law & Employment Govt. of India.
- Staff Hepatitis Screening Camp: Provides free Hepatitis screening camp every year along with Titer checking and vaccination facility / coverage.
- 4. Provident Fund Scheme: This scheme is an Investment scheme under Employee Provident Fund Organization under Government of India. Under this scheme, employees are benefited with lifelong pension, Insurance benefit and interest on high returns.
- Staff Quarters: We are providing staff quarters both family and single accommodation for all teaching and non-teaching who are staying far from the College.
- Financial Assistance during School opening: All non- teaching staff are given financial assistance during school opening.
- Supply of Uniform: All maintenance staff, drivers, mess staff and housekeeping staff are given uniform 2 sets per year.
- 8. Supply of Books to School Going Children of staff: All non-teaching staff who got school going children are provided with 20 note books, Bags and pencil box during school opening every year.

- 9. Festival Allowance: All non-teaching staff are provided with festival allowance, bonus etc during Onam and Ramzan. Cakes for all teaching and non teaching staff are distributed during every New Year.
- 10.Family get-together: Family get together are conducted to teaching and non-teaching staff outside the campus.
- 11. Financial Assistance during marriage: Financial assistance during marriage of the staff and their son/daughter are provided
- 12. Cash during medical emergencies: Financial help during medical emergencies are provided for non-teaching staff.
- 13.Day care facility to staff kids: Staff who got infants below the age of 3 yrs can avail Day care facility for their kids. These facilities are provided w.e.f 2020.
- 14. Loans for Emergency: Financial help in case of emergencies are being provided to teaching staff by means of Loans & advances without Interest.
- 15. Sports and Games facility to staff such as swimming pool, basketball court, gyms etc are provided for their entertainment and exercise.
- 16.Educational facilities: Leave with pay are provided to teaching staff for going for Seminar, Workshop, Conference etc.
- 17.Family leave facility:- Family leave are provided to teaching staff as a voluntary measures for the betterment of their family. Leave with pay are given for teaching staff for medical reasons for themselves and their family members which include Father, Mother and children. They can also avail leave with pay for family tour.
- 18.MAPS: Medical Accident Prevention Society membership are provided free of cost to all Teaching staff (Dental).

Welfare Measures for Students

- Educational assistance to BPL students
- 2. Dental treatment contact scient
- 3. Academic and extracts malar achievements are cheered by giving cash awards and certificates during College Daya elebration. PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

THIRUVANANTHAPURAM-28

- Students Support Guidance & Progression cell looks into overall personal and professional development of the students
- In house medical officer facilitates Medical assistance for the needy.
- Hostel Committee provides adequate facilities for academic as well as physical and mental growth of the students.
- 7. Anti-Ragging Committee ensures safe and carefree campus for the new comers.
- Entertainment in terms of Evening cafeteria initiated for diverse cuisine and refreshment facilities arranged in the campus.
- Travel assistance and facility towards to nearest bus station, railway station, hospital and airport.
- 10. Free Medical OP Consultation facility for students.

GOVERNMENT SCHOLARSHIPS/ @ GRANTS/ INSTITUTIONAL SCHOLARSHIPS/ FEE WAIVERS

Our Institution facilitates those students below the poverty line or can't afford the fees to avail with e Grants and Scholarships from Kerala state Government and Institutional Scholarships. In this academic year about 23 students are benefitted by e-Grants from Government, and 17 students are benefitted from Non Government/ Institutional Fee Waivers/Institutional Freeship.

&

INFRASTRUCTURE

 In this academic year, funds allocated include sum of rupees 12-15 lakhs for construction activities, 20-25 lakhs for the purchase of equipments including A/C for auditorium and transformer, an amount of 20-25 lakhs for procuring library books and ICT related accessories, 2 - 5 lakhs for research and development, and 25-30 lakhs for extracurricular activities.

Institution offers various development program for support staffs in focus with overall quality improvement and assistance to the staff. Various welfare measures are adopted for the employees of all strata of the institution. Personality development programs, skill development programs and professional development programs are being initiated in focus with their overall development. Welfare schemes like financial assistance, festival allowance, leave benefits, ESI, EPF, general insurance etc. being provided for overall development of the supporting staff.

COVID 19 &DENTISTRY DENTAL PRACTICE AND PATIENT SAFETY DURING PANDEMIC

REPORT ON THE CONTINUING DENTAL EDUCATION PROGRAM(WEBINAR)

TITLE OF THE PROGRAM: Covid 19 & Dentistry

VENUE: Zoom Application

Date:24.07.2020

Time: 8 pm to 9 pm

Faculty: Dr. Swathy Anand

PROGRAM SCHEDULE

7.00 pm to 9.00 pm

Online Live Lecture on Zoom App By Dr.Swathy Anand

REPORT

Dr.Swathy Anand working at PMS College of dental sciences and research, kindly consented to be the faculty for the program, titled "Covid 19 & Dentistry". The registration of the delegates started 1 week back. There were 226 participants .Dr.Swathy Anand started his lecture on types of discolouration, causes and various dental practice and patient safety during pandemic. Program came to an end at 9:00 pm.

Dr. N O Varghese (Principal)

ADVANCES IN BLEACHING

REFERENCE: Kerala dental Council Order No :D4664/20/DC.Dt 14/08/2020

KDC Observer:Dr. Presanthila Janam

Time: 7 pm to 9 pm

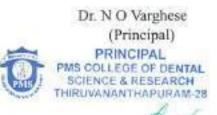

PROGRAM SCHEDULE

7 pm to 9 pm

Online Live Lecture on Zoom App By Dr.Surej Kumar LK

REPORT

Dr.Surej Kumar LK working at PMS College of dental sciences and research as Professor and Head, Department of Oral & Maxillofacial Surgery, kindly consented to be the faculty for the program, titled "Demystifying the enigma: A Voyage through Oral & Maxillofacial Surgery.", The registration of the delegates started 1 week back. There were 440 registrations. Dr.Surej Kumar LK started her lecture by 7pm. It was one of the best webinars of 2020, very effective in communicating various clinical scenarios with various clinical photos and videos. Program came to an end at 9pm.

RESEARCH GRANT WRITING

REPORT

Di.Ambili working at PMS College of dental sciences and research as Research
Director, introduced guest speaker Dr.Jeemon P from Sree Chithra Thirunal Institute
of Medical Science and Research who kindly consented to be the faculty for the
program, titled "Research Grant Workshop". The registration of the delegates started
2 weeks back. It was a paid workshop. There were 30 participants within
college. Dr.Jeemon started his lecture by 8.30 am. Program came to an end at 3:00 pm
on Day 1 and on second day Lecture started by 8.30 am and ended by 2.30 pm. The
program was very effective for the participants as it helped them to to create
awareness regarding external funding for research projects, identify Various funding
opportunities, to prepare research proposals, to refine the prepared proposals and clear
the doubts of grant proposal.

MENTORING SYSTEM

The student mentoring system available in the institution provides a parental touch to the students while in the campus. Each mentors are allotted with 10 - 20 students, who continuously monitors, counsel, guides and motivate the mentees in all academic matters. The mentors contacts the parents for academic irregularities, negative behavioral changes, interpersonal relationship issues and other detrimental activities only if circumstances demand. A formal monthly based mentor – mentee interactions is carried out apart from the other informal interactions. The mentors maintain a register for detailing the mentor – mentee activities and the mentoring related issues are reported to the Associate Dean (Academics)with the help of Principal's Office and College Counselor resolves for the welfare of the students. The mentors also reports to the Academic Committee, Student Support and Guidance Cell regarding the special issues which is an initiative of KUHS as a part of student support system.

ALUMNI

The aim of Alumni meetings are to engage and foster strong lifelong bonds between current batch of students and passed out batch of students. It was an incredible reunion of alumni students coming from India and abroad. It is essential to help the passed—out batches to connect to their own old college institution and rekindle their memories. Feedback from Alumni helps in improving academic processes and infrastructure. Alumni helps the students in placement through their references. Alumni guides by providing assistance to UG students who seek admission in different universities in India abroad. Our 9 college students have successfully cleared NEET examinations this year. Institute is extremely proud to reveal that about 14 students progressed to higher education. About 50 students got placement in professional services and 1 student started their own dental clinic. All these students were congratulated for their great success in their career.

FEEDBACK

Feedback collection is an integral process at institutional and departmental level for improvisation of curriculum, teaching learning methodologies, research scientific initiatives, infrastructure, patient care and other facilities of the College. Feedback on curriculum is collected in structured format from students, teachers, alumni, speciality experts like examiners and employers which are analyzed by the Academic Committee and new technological innovations in Dentistry are adapted through inter disciplinary courses initiated by the Institution. Faculty teaching evaluation are conducted to attain academic improvisation and excellence. Teacher evaluation feedback are collected formally and informally from students and academic director and evaluated by the Academic Committee and IQAC is also initiating various faculty training programs. Patient feedback on infrastructure and patient care system is collected and suggestions and improvements are implemented at clinical levels in all departments. Feedbacks are collected for various CDE and seminars and scrutinized by the CDE Committee for mending the gap and conducting relevant CDE. Feedbacks are also collected and evaluated from parents, alumni and various other stakeholders for bringing institutional excellence and quality and values in our students.

List of Feedbacks

- 1. Patient feedback
- 2. Student feedback on Teaching Fualuati
- Student Feedback on overall institution
- 4. Student feedback on teacher evaluation

- 5. Student feedback on comprehensive clinic system
- 6. Teacher evaluation (clinic wise)
- 7. Feedback from Interns
- 8. Feedback on finishing school program
- 9. Parents' feedback
- 10. Alumni's feedback The feedback forms are analyzed by the Principals Office which is communicated to the IQAC for the incorporation of corrective measures and thus facilitates overall development of the institution.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

IQAC initiated to appoint a Director exclusively for Research Activities to encourage and monitor the research activities of UG, PG students and faculty members. Periodical meetings with staff members are initiated to monitor and ensure the quality of students and department activities.

IQAC initiated to implement small group teaching learning process – Multiple Interactive Learning Algorithm (MILA) – a Canadian Dental Education system to enhance Micro Learning and Micro Teaching which brings individual attention to each students, which creates an effective, enthusiastic teaching learning environment with the introduction of Class Room integrated Lab (CLAB), an innovative teaching learning system which replaced one hour lecture with a new frame work of lectures containing sessions of 20 minutes duration followed by an activity pertaining to the previous lecture. The unique lecture protocol interspersed with activities, improves the cognitive skills of student's retention ability of subjects.

Implemented training programs for the Interns and Post Graduate students with the most modern technologies apart from the University syllabus

Initiated Priority Dental Clinic with concerned Department specialists for prioritized treatment for patients.

PMS SO

Our College always try to bring the students of marginalised and deprived social strata into the mainstream of higher education.

Continuous Internal Evaluation is an important tool for the academic excellence of an institution. Compulsory formative assessments are conducted for all the batches for student analysis and student monitoring. Apart from this short evaluation, topic discussions are also conducted after every theory hours for continuous assessment of level of understanding of the topic. The monthly test scores are used for classifying the students as slow learners, mediocre learners and advanced learners. The mentors and the respective subject faculties provide need based coaching for the students. The resident tutor attends the slow learners in the hostel for their academic improvements. As per the University norms, average marks of three internal theory and practical examinations are conducted in the University examination pattern with coding and decoding system and booklet format answer scripts. The examination hall and office is equipped with CCTV cameras and mobile jammers, toilets and wash area for fair conduct of the examination. The tentative dates of the Internal Examinations are published and displayed at the beginning of the academic year and in the student hand book. A centralized evaluation system is practiced and result declaration is done within one week of examination. Any grievance is discussed in Academic Committee and issues are addressed. The students who scores adequate internal marks and attendance are only permitted to appear for the University examination. All the scores and the progress are intimated to parents timely. The academic committee thoroughly evaluates the performance level by interacting with the Academic Dean and the mentors. As a preparative phase, the students are allotted with a minimum of two weeks of study leave for the University examinations.

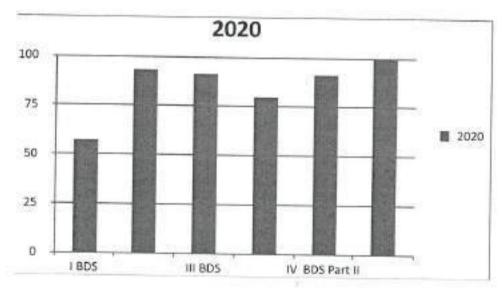

Incremental performance in pass percentage of final year students.

FUTURE PLAN OF ACTION FOR NEXT ACADEMIC YEAR

Institution aims at sustained quality improvement in all the institutional components. Hence the following future plans of action were proposed for the next academic year.

- Curriculum enrichment by introducing new value added courses.
- Initiate micro teaching learning system in clinical studies and introduce comprehensive dental care system with the participation of all the departments.
- Appointment of more Senior Lecturers in order to strengthen teaching learning system and to provide better individual need based academic guidance to the students.
- To conduct Chairside Dental Assistant training programs.
- In order to improve teacher quality, regular teacher training orientation / program to be conducted.
- 6. Efforts to be laid to strengthen research and extension
- 7. To conduct regular CDEs and promotions of research in the institution.
- To improve the state of the art facilities in Priority Clinic proposals to be collected to add on the infrastructural facilities, instrumentation facilities and man power.
- 9. Funds to be allotted to all departments for infrastructure and teaching learning facility enhancement.
- 10. Various student support programs to be initiated like organizing Yoga Basic course, Swimming course and apport ment of swimming trainer.
- 11. To conduct state level, inter-collegiate sports and cultural fest, convocation college day, principal pental sports day etc.

 PANS COLLEGE OF DENTAL SCIENCE & RESEARCH SCIENCE & RESEARCH SCIENCE & RESEARCH

- 14. To initiate a YouTube channel and to arrange the facilities for the same for delivering multimedia based oral health awareness programs.
- Prepare and facilitate DCI MDS seat enhancement renewal inspection of three departments (Ortho, Pedo OMFS) and renewal of affiliation inspection by KUHS.
