DIAGNOSTIC SEQUENCE, CASE PRESENTATIONS AND TESTIMONIALS FOLLOWED BY APPLICATION OF THE MANAGEMENT PROTOCOLS AND CASE SELECTION PROCESS. A DEMONSTRATION OF THE ULF TENS PROCEDURE TO FINISH OFF.

Dr. Tatu Joy

MDS PHD FICCMO

Dr. Tatu Joy- is the founder and lead physician of TMJ center. He is an oral medicine and radiologist by profession, specializing in neuromuscular dentistry (NM) & temporomandibular dysfunction (TMD). With 22 years of rich experience behind him, he has been a passionate advocate and evangelist of OMR and TMD in India. His vision and desire for providing quality care in India motivated him to undertake some pioneering ventures in this field -which includes:

- Setting up India's first exclusive specialty diagnostic center MAXILLOFACIAL DIAGNOSTICS in Kochi, Kerala in the year 2000,
- Setting up Kerala's first CBCT imaging center.
- Did the first CBCT Sialography in India. Second publication in the world on this topic.
- He also started the first exclusive NM dentistry clinic in India 'The Right Bite Craniofacial Pain care' in 2015 – which is now renamed as 'Dr Tatu's TMJ Head and Neck Pain Care'.
- He has a host of national and international publications and keynote addresses to his credit.

Dr. [Capt.] Vivek V

BDS, MDS

A graduate [1989] & postgraduate [2000] from GDC Trivandrum is currently Professor and Head of the department of Oral Medicine & Radiology, PMS College of Dental Science & Research. He has presented papers in various national IDA and speciality conferences and has also been main faculty in several CDE programs. He has published in several national and international journals and is the founder editor of Trivandrum Dental Journal .
