## **REPORT ON CDE WORKSHOP ON ALL ABOUT DENTAL** **PHOTOGRAPHY**

JANUARY 23, 2024

**TITLE OF THE PROGRAM:** CDE Workshop on 'All about Dental Photography'

**VENUE:** Dr. R. Ahmed Central Auditorium

**DATE:** 23/01/24

**TIME:** 9.30 am- 3.00 pm

A workshop on All about Dental Photography was conducted on 23<sup>rd</sup> of January, 2024 from 9.30am to 3.00 pm at Dr. R. Ahmed Central Auditorium. The workshop was organised by Administration and CDE committee, PMS College of Dental Science and Research.

Dr.Arshad P., Director, Dr.Arshad's Esthetic Dentistry and alumnus of our college was the speaker for the day.

The program started at 9.30 am with a welcome speech by Principal, Dr.Rajesh Pillai. First year PG students from all departments, interns, interested faculties and some external participants from other colleges also attended the workshop. The prizes for winners of photography competition was given away by the speaker. Then the workshop started with the basic accessories needed for taking good intraoral clinical photographs. Then he explained in detail about DSLR camera and about different type of lenses and flashes. He explained in detail about how to take neat clinical photos and he gave a clearcut idea about how it can be utilised for projecting our clinical skills to the outside world. He also emphasised the utilization of social media for improving our daily practice.

There was lunch break at 1pm for half an hour. In the afternoon session, there was a live demonstration on how to take intraoral and extraoral photographs, how to place cheek retractors properly and how to utilize studio light for taking dental photographs.

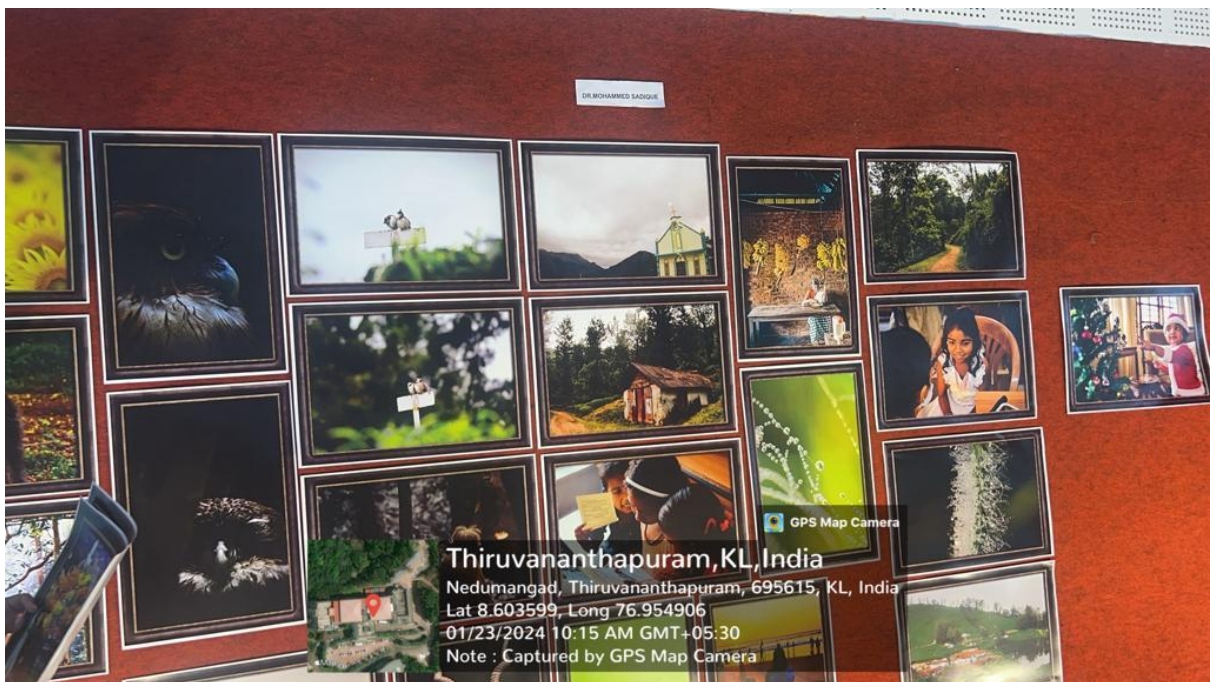

A photography exhibition was conducted by the photography club in association with the workshop which showcased the photography talents of students and faculties. A memento and certificate of appreciation was presented to speaker by Dr.George Skariah, Professor, Department of Oral and Maxillofacial Surgery. The session was really enriching for all the participants and all of them acquired a basic knowledge about how to take neat clinical photographs and how to use them for promoting our cases in a social platform.

The program was concluded at 3.000 pm. Feedback was collected from all the participants and Participation Certificate was given to all of them.
