REPORT ON THE CDE ON REPAIR,RESTORE,RECREATE BY CONSERVATIVE DENTISTRY ON 5TH MARCH 2025

Dental Week 2025, held from 1st to 5th March, was a vibrant and enriching series of events organized to promote clinical knowledge, creativity, and community service among dental students. The week commenced on 1st March with an inaugural session titled “*Fun with Dental Materials*” at R. Ahmed Central Auditorium, where students participated in engaging demonstrations and activities related to dental materials. On 3rd March, an online Essay Writing Competition was conducted from 1:30 PM to 3:00 PM in Lecture Hall 1, encouraging students to express their views on various dental topics. Simultaneously, a Dental Camp was held at the Kottoor Tribal Community from 9:30 AM to 12:30 PM, providing essential oral healthcare and promoting awareness among the local population. On 4th March, a hands-on session of “*Fun with Dental Materials*” was conducted at the Preclinical Lab from 12:00 PM to 3:00 PM, followed by a compelling lecture on “*Aesthetics in Anterior Region*” by Dr. Nishi Jayasheelan from 1:45 PM to 2:45 PM. The Reels Competition, centered on the theme “*Repair. Restore. Recreate.*”, accepted submissions until 3rd March and was evaluated on 5th March, showcasing students’ creativity through short video content. The week concluded on a high note with a lecture by Dr. Anoop Nair on “*Ceramic Veneers: A Clinician’s Insight*” held on 5th March from 1:45 PM to 2:45 PM, offering valuable clinical perspectives on esthetic restorations. Overall, Dental Week 2025 successfully combined academic excellence, artistic expression, and public outreach, leaving a lasting impact on all participants and attendees.
