CDES & WORKSHOPS

The Prosthodontist Day:

The Prosthodontic Day was celebrated in commemoration with world prosthodontist society and was organized by the Department of Prosthodontics to celebrate advancements in prosthodontic care and raise awareness about the importance of prosthetic dentistry. The event was held over the course of one working week, from 19th January to 25th January. The highlight of the celebration was a three-day exhibition held from 20th January to 22nd January in the college reception area. The exhibition aimed to showcase the innovations, research, and treatment options in the field of prosthodontics, offering students and visitors a closer look at various aspects of dental prosthetics.
